

School elections

Three districts will have contests

WILL COUNTY — Annual school board elections will be decided this Saturday, April 8. There are contests in three of the underlying districts in the Lincoln-Way High School District: New Lenox, Summit Hill and Manhattan.

There are no contests for places on the Mokena and Frankfort grade school board, nor for the Lincoln-Way High School board of education.

NEW LENOX

At New Lenox three persons are seeking election to the two places to be filled — two full three-year terms. The candidates are Mrs. Ruth Stoneberger, an incumbent; Dennis Vally, and Russell W. Attaway. Haven School will be the polling place and voting hours for the grade election will be from noon until 7 p.m.

SUMMIT HILL

In the Summit Hill district which has two schools, Arbury Hills and Ann Rutledge (Lincoln Estates) there are four men running for the two full terms open: John G. Hayden, an incumbent; Edward Levensen, William Haas and Thomas M. Heimlich.

Hayden and Levensen reside in Arbury Hills; Heimlich lives in Lincoln Estates and Haas on 191st Street, west of U.S. 45.

The two schools, Ann Rutledge and Arbury Hills, will serve as polling places. The polls will open at noon and close at 7 p.m.

MANHATTAN

At Manhattan three men are contending for two three-year terms and another, Clifford Clark is unopposed for a one-year unexpired term.

The three running for the two places are Fred Richards, an incumbent, and Robert Snyder and Gary Kimbro. The Anna McDonald School is the polling place and the voting will be from noon to 7 p.m.

MOKENA

Three men are unopposed for the three seats to be filled on the Mokena grade board, Fred Richards, an incumbent, and Jens W. Notestein are candidates for the two three-year terms. Cadet Cottingham is running for the one-year unexpired term. Carpenter Street School is the polling place and the polls will be open from noon to 7 p.m.

FRANKFORT

At Frankfort three incumbents are running for the three three-year terms: Melvin Eisenbrandt, James Knippel and Frederick Thompson. Ronald Ball is the candidate for the unexpired one-year

term. Frankfort Grade School, is the voting place and the polls will be open from noon until 7 p.m.

LINCOLN-WAY HIGH SCHOOL

There are four seats to be filled on the Lincoln-Way High School Board of Education and there are four candidates, all of whom are now serving on the board.

Running for the three three-year terms are Dr. Robert L. Keener, Frankfort; James Fagan, Mokena, and Daniel Matthews, New Lenox. George E. Sangmeister, Mokena, is seeking a one-year unexpired term.

The voting hours for this election also will be from 12 noon to 7 p.m., and the underlying grade schools will be the polling places, Haven, Anna McDonald, Frankfort Grade, Ann Rutledge, Arbury Hills and Carpenter Street School.

JOLIET JUNIOR COLLEGE

The Joliet Junior College also is electing a board. The Junior College is using the same voting places in the area as have been listed. The only difference in the JC election and the regular school election is the hours.

The polls are to open at 7 a.m. for the Junior College vote because for some reason or other the Joliet schools apparently like all day voting so the Junior College follows suit.

In this area voters usually avoid two trips to the polls and don't show up until afternoon so few junior college board votes are expected to be cast until the voters ballot on their local choices.

Candidates in the Junior College election are H. Allen Holler of Mazon; Victor Scott, Plainfield, incumbents; Charles J. Kennedy, also of Plainfield, Edward M. Verklan and John W. Donahue, both of Joliet. Kennedy is a teacher at the junior college and Verklan a student there. Donahue is a lawyer, Holler is a farmer and also a chemical engineer. Scott is head of a real estate firm. Two three-year terms are to be filled.

Got my number?

Finding the eggs Saturday during Mokena's Easter egg hunt sponsored by the Lions Club was only half the fun. The numbered eggs were good for prizes (sometimes). This scowling fella apparently didn't have a lucky number.

Staff photo by Jerry Piper

Tickets on sale for fire dance

FRANKFORT — The ticket sale is on for the annual Spring dance of the Frankfort Volunteer Fire Department. The dance is to be held April 15 in the Veterans Memorial Building on Nebraska Street.

Tickets are \$2.50 per person. Dancing will be from 9:30 p.m. to 1 a.m. Music is to be provided by the Henry Buttell orchestra.

Members of the department are making a door to door canvass in disposing of tick-

ets. In the rural sections they are leaving a sticker that can be attached to the telephone. It gives the emergency number to call in case of fire, and the block and farm numbers of the caller. The department has a chart listing the block and farm numbers so they know the exact location and the quickest route.

Proceeds from the dance are used by the department to purchase uniforms and needed equipment.

Emphasis on education

NEW LENOX — Additional programs and personnel expected to improve the educational programs for the 1972-73 school year have been approved by the New Lenox Grade School Board of Education. The proposed programs were presented to the board by Supt. Arnold J. Tyler.

Home is gutted by waste fire

ARBURY HILLS — Fire, believed to have started in a wastebasket in an upstairs room, wrecked the interior of the home of Mr. and Mrs. Foster Tekotte at 9455 Hickory St., Tuesday forenoon (March 28), causing damage estimated at approximately \$17,000, according to the report of the Frankfort Volunteer Fire Department. The estimate of damage was broken down into \$12,000 for the building and \$5,000 for the contents.

Mokena sent apparatus and men to the scene to help Frankfort. It was a stubborn fire and produced considerable smoke. Some firemen, wearing smoke masks were able to get some of the furniture out from the first floor. Smoldering furniture from the upper floor was tossed out in the side yard. Smoke ejectors were set-up to clear out the house.

The Tekottes were given shelter by neighbors. Mrs. Tekotte operated a beauty salon at her home in a portion known as the Belvedere Room.

At the elementary level an additional learning disability teacher will be provided, along with a full-time teacher aide. Also a part-time remedial teacher will be added to work with intermediate grades. A second full-time guidance counselor is to be employed, replacing a part-time counselor who will do psychological testing for the special education cooperative.

At the junior high level an additional language arts teacher and a teacher aide will be employed that the language arts department may operate a reading laboratory for youngsters needing help in language development. Part of the equipment and instruction-aid for the language laboratory is already on hand. Additional aids and equipment will be purchased for this project, it was announced.

Kenneth Pirkko, New Lenox, has been employed as a language arts teacher in junior high to fill out the unexpired contract of Michelle Kenney, who has resigned.

Other resignations accepted by the board, effective at the end of the current school year, are those of Geneva Oster, kindergarten, and Ann Ryan, grade four, who plan to retire; Helen Bell, art teacher; Barbara Blonck, mathematics; and William Manis, assistant principal at Oakview Junior High School.

A request for a one-year maternity leave was approved for Mrs. Patricia Blunck, girls' physical education teacher.

The board also has approved the signing of an agreement, prepared by Attorney Robert Baron, requesting authority to employ additional counsel to replace Albert

H. Kursemack, Sr. The counsel will be completing future real estate transactions in connection with the Caroline Bentley estate. The agreement will relieve the school district of appraisal fees charged by John Weitendorf in connection with the Bentley estate.

Reports were given by board members and administrators who attended the recent Three Rivers meeting of the Illinois Association of School Boards at Lockport East High School.

The board's transportation committee reported the contract for the transport of pupils has been revised by the attorney and was ready for signatures.

The board will hold a special meeting at 9 a.m., April 15, to canvass the returns of the April 8 school board election and to reorganize the board for the coming year.

Willowcrest girl essay winner

MOKENA — The essay contest sponsored by William Martin VFW Post No. 725 of Mokena was won this year by Penny Pachol, an eighth grade pupil at Willowcrest School, and the daughter of Mr. and Mrs. Warren Pachol, 11706 194th St. There were two runners up, Tim

CHIP TERRACINA

Henoff of St. Mary and Chip Terracina of Summit Hill District 161.

The winner received a \$50 U.S. Savings Bond and a handsome plaque, a traveling trophy, went to her school. Each runner-up received a \$25 bond.

Subject of the essay was "My Responsibility to My Country," and limited to between 300 and 500 words. School administrators picked the essay they considered best in their schools and the VFW chose the winner from the three offered.

The winning essay by Penny Pachol follows:

"It is my responsibility to honor, respect and uphold the laws of the United States of America.

I am proud that I live in such a great country as this one. It is my responsibility to be loyal at all times no matter what happens. When our country is in trouble it is the duty of the people to

be loyal and help out in any way possible.

If my country needed me to fight to protect our freedoms, I would serve proudly. We take our rights for granted and forget about the people who have no freedom. It could happen here if we refuse to serve our country. It is a duty and a great responsibility to defend this powerful nation that we live in, in every way possible.

It is my duty and responsibility to vote when I am of age. I will have to be well informed and know the issues to exercise this right to the best of my ability. It is a great responsibility to have such rights and we should protect these rights as a free American.

If I were called to serve on a jury I would fulfill this obligation to help keep order and justice. We shouldn't back out unless we have a good reason for doing so.

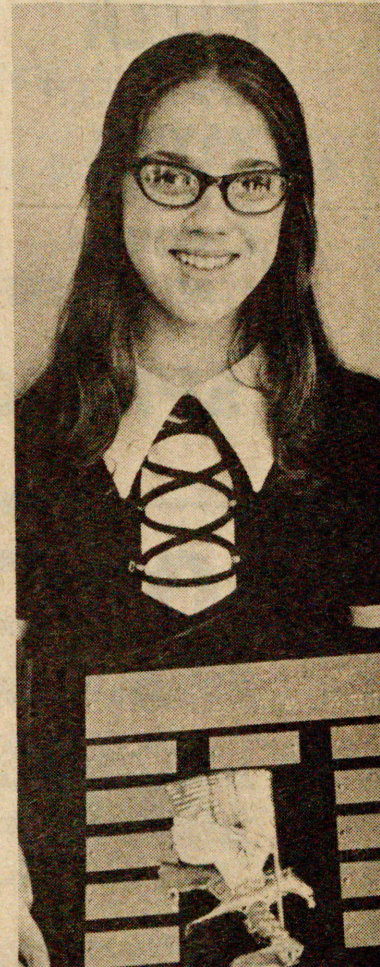

It is my duty to try to make this country a better place to live for everyone but not by trying to overthrow the government but by working to improve some of the laws.

Our country is a strong one and it should be kept strong. We can keep it a prosperous and progressive land as long as we are loyal, have honor and pride, and are willing to protect our rights.

It is my responsibility to help keep our country clean and unpolluted. Since some areas are already polluted, it is my duty to help clean it up and keep it that way. We should, for future generations, stop polluting and clean up the lakes. We have a beautiful country and we will all have to stop polluting it to keep it that way.

When the younger generation takes over

the important job of running this nation, it will be our responsibility to take care of it. When drafted, go fight. When called upon to serve and fulfill an obligation, then do so and keep this nation free."

PENNY PACHOL

Staff photo by Glenn Logan

The home of Mr. and Mrs. Foster Tekotte, 9455 Hickory St., Arbury Hills, was gutted by fire last week, causing extensive damage to the interior and the contents. Flames were confined to the upper floor but smoke and water took a heavy toll on the first floor. Mr. and Mrs. Tekotte (center) inspect the few pieces of furniture rescued from the house.

Student art exhibit doubles '71 display

JOLIET — An "April shower of art bargains" is scheduled for Monday, April 17 in Tower Hall of the College of St. Francis.

The CSF Art Department, which annually has a sale of student art works, has adopted the slogan "You Gotta Have Art" for this year's event. The student art fair will be co-sponsored by

Lions schedule pancake event

MOKENA — The Mokena Lions Club 17th annual Pancake Day is set for Saturday, April 15, from 6 a.m. to 2 p.m. It will be held at Willowcrest School.

Proceeds will benefit Trinity School. All you can eat for \$1 grade school children; \$1.25 adult and children under 5 free.

the Art Department in coordination with the Manmarks Fine Arts Festival.

During the 10 a.m. to 2 p.m. period, two facilities in Tower Hall will be taken over by the artists. The Atrium will be the scene of not only the main sales event, but also the screening of a 28-minute color motion picture, "Art Is..." presented by the Sears Roebuck Foundation in cooperation with the Associated Council of Arts.

Meanwhile, in nearby St. Charles Lounge, students currently studying skills on the potter's wheel will demonstrate their techniques under the direction of Sister Rita Greene, CSF Art Department Chairman. "The size of the fair this year is double what it was in 1971, when our slogan was 'Support Your Local Artist.' We will have more cashiers to eliminate that waiting in line inconvenience," said Deanna Nemeth, CSF art instructor in charge of the fair. "The 1972 version promises to be one of the most cultural campus experiences of recent years."

Children hunt for 3,000 eggs in Westhaven

WESTHAVEN — Some 300 Westhaven children participated in an egg-hunt sponsored by the Westhaven Community Women's Club's Sunday, March 27 at 167th Street and Hobart Avenue.

The 29 children who found the plastic eggs were awarded prizes. There were also 3,000 colored eggs hidden by members of the club and village women.

Jimmy Davis, first prize winner, received a large blue bunny contributed by the Women's Club. Larry Mueller, second place winner, received a large plastic candy-filled pull duck which was contributed by Mayor Curtis Whitaker. The third prize winner was Norma Wampler, who received a candy-filled plastic basket contributed by Eugene O'Brien.

After the egg hunt, a plaque from the Concerned Citizens was presented to Mayor Whitaker, honoring him for his many years service to Westhaven.

Dist. 144 sets deseg hearings

OAK FOREST — The Board of Education, School District 144, has established dates for the public hearings on desegregation alternatives which will be presented to them by the Citizens' Lay Committee.

District 144 serves part of Markham, Hazel Crest, Country Club Hills and Oak Forest.

Members of the board, the administration and representatives of the lay committee will be appearing at each of the following schools on the date indicated: McClaughry, April 19; Markham Park, April 26; Canterbury, May 3; Pottawatomie, May 10; Highlands, May 17; Nob Hill, May 24; and Fieldcrest in Oak Forest May 31. All meetings will begin at 7:30 p.m.

The lay committee has been studying the feasibility of several alternatives to be considered by the board and district residents. The final decision will be made by the board after studying the alternatives and hearing from the district residents. Desegregation of the staff will be in September 1972, and of the pupils in September 1973.

Establishing desegregation recommendations is only part of the Citizens' Committee's job. Their primary task is to provide a solution to the growing needs of the

one junior high school in the district. The projected enrollment for grades seven and eight for the 1973-74 school year is expected to be 1,523 students, plus the anticipated 728 sixth grade students for that year. Current enrollment stands at 840 for grades seven and eight, and 443 for grade six.

Major factors to be considered involve

the desegregation alternatives, new housing developments, size of the elementary feeder schools, cost of transportation per pupil, cost of classrooms and equipment and the current funding per pupil available within the district.

The lay committee hopes everyone will make an effort to attend the hearing in their local school on the date indicated.

Late village board stories

Trustees to launch seminars

TINLEY PARK — The village board acted on acceptance of Trustee Robert Mason's proposal for the first weekend scheduling of a seminar for village officials.

The seminar will be held at Silver Lake Country Club. Three other local restaurants were contacted but did not feel that they could handle the program on the village's limited budget.

The first meeting will be held Friday, April 28, starting at 6:30 p.m. and will involve budget priorities.

The second meeting, Saturday, April 29, will begin at 8:30 a.m. and include planning and zoning development and future western boundaries of the village. The village engineer, police and fire chiefs and director of public works will join the village board and Mayor John Dunn for the second session.

Further proposed meetings will cover home rule and annual reports from department heads and commissions.

Public Works Director Bob Powers reported to the board that the bridge on Oak Park Ave. near 172nd St. is too narrow, dangerous and structurally unsound. The board will attempt to obtain funds from the federal or state government for widening and rebuilding the bridge.

The board agreed after much discussion to ask for bids for a squad car. The bids will be opened at the May 1 meeting.

In other business:
— Mayor Dunn read a proclamation

marking the month of April officially as Army Reserve Month.

— announced a public hearing on the annexation of property at 17704 Oak Park Ave. to be held May 1 at 7:30 p.m.

— accepted a plat of subdivision for Brentowne Unit Three.

— discussed the possibility of engaging an exterminator for a rodent problem in the village.

— discussed the re-profiling of Oak Park Ave.

— tabled a decision on securing aerial maps of the village.

— discussed a future meeting with Westhaven, Country Club Hills and Orland Park regarding developers' contributions to school districts.

A notice of a public hearing on the formation of a library district was given the board. The hearing will be held April 26 at 10 a.m. before Judge Harry Comerford in the Chicago Civic Center.

An open meeting, sponsored by the Chamber of Commerce, will be held Thursday, April 6, 8 p.m. in the administration building.

Representatives from Urban Investment Development Co., developers of the shopping center, will be present.

Mrs. Pat Siemsen presented the board with a petition containing 350 signatures of persons interested in the present methods of handling stray and lost animals in the village.

Dunn said that the board is fully aware of dissatisfaction with the village's present manner of handling the matter and assured Mrs. Siemsen that Trustee Pat Rea and the Public Service Committee is delving into the subject to come up with a feasible and economical solution.

Cone Shop receives zoning

ORLAND PARK — On recommendation of the Zoning Board of Appeals, the Orland Park Village Board rezoned the property of the Church of the Nazarene, 143rd Street and Ravinia Avenue, to Class C Commercial.

The zoning board meeting and the village board action took place Monday, April 3.

Martin Kassel, co-owners of Sophie's Cone Shop in Frankfort, described his plans to remodel the two church buildings in order to open a second Sophie's Cone Shop and restaurant in Orland Park.

Kassel hopes to be in business the first part of June. The board requested plans for parking and letter of intent regarding a sidewalk on Ravinia Avenue.

In another matter an unacceptable portion of storm sewer lying in and adjacent to Silver Lake West and the shopping center land prompted the board to refuse to authorize releasing money held in escrow.

The eastern portion of two 42-inch storm sewers draining the Karney Subdivision east to Silver Lake Country Club and Tinley Creek were found on inspection to be poorly constructed and potentially in operable.

Village consulting engineer Harrison

Smith did a visual inspection and said the eastern portion had numerous defects and would not hold up for any length of time.

Project Engineer George Chastain of Edmund Burke & Associates had requested release of the \$60,000 in escrow, except \$3,500, on the basis of the satisfactorily completed western portion.

However, Chastain agreed with Smith that the entire line would not have any long expectancy as it is now built.

Village Attorney Raymond Pieper reminded the board of the interest of Urban Investment Development Co. and said, "We cannot take a chance on this. It's too critical a deal."

General contractor on the sewer line, Henry Rafacz was present and acknowledged that the pipe had to be corrected. He stated that heavy equipment rolling over the pipe had caused the damage. Rafacz said he was consulting the sub-contractor.

According to Trustee John Barker the pipe was laid in two portions under the Rafacz contract. The western portion was built by George Brown Plumbing. The eastern portion was built by Rafacz Landscaping and Sod Co.

The board said it would hold up payment until inspections and repairs acceptable to the village were made.

Rainbow girls plan meal

OAK FOREST — The Rainbow Girls have again scheduled their annual smorgasbord for Wednesday, April 19, at the Oak Forest Methodist Church.

The 5 to 7:30 p.m. event will feature chicken, ham and Polish sausage. Proceeds from the dinner support the various activities of this youth organization.

The girls ask a donation of \$1.50 for

adults and 75 cents for children 12 and under. Those under five are free. Tickets will be available at the door.

Army Reserve honors Dunn

TINLEY PARK — Mayor John Dunn was presented a Certificate of Recognition for his support of the United States Army Reserve over the past two years.

Brigadier General Wilbur Munch, in signing the award, noted Dunn's contribution to the defense of the nation. Dunn was also made an honorary life member of C Battery, 4th Battalion, 75th Artillery headquartered in Joliet.

Colonel Glen Medus, battalion commander, praised Dunn for his support of the citizen soldier concept of national defense.

State Representative Leland Rayson received this recognition, May, 1971.

Seniors need more privileges

Is the NORTH going to beat the SOUTH — again?

Northern suburbs, near and including Arlington Heights, are discussing the formation of a broadly based task force to help solve problems of the elderly.

The SOUTH (southern suburbs) are lagging far behind in this field.

Asked to attend the Arlington meeting to formulate the task force were church, civic and social agencies, college presidents, members of senior citizen clubs, YMCA members, chambers of commerce, park districts, and library boards.

Dwight Walton, chairman of the Arlington Heights Village Board public relations committee stated in his invitation letter to the groups that something "should be expended in order to make life more viable for this elderly segment of our population."

The Arlington Heights board has gone on record in support of extending special village, and when feasible, private services to its senior citizens.

We are aware that the southern suburbs have more than their share of problems aggravated by economics, transportation and untold, poor "of old" village planning.

A few individuals and several groups in the southern suburbs aid the senior citizens in monetary or social matters. Churches have opened their facilities to the senior citizen clubs and also afforded man hours in organization. However, most of their social activities must be paid for out of their own small monthly allowances.

In Tinley Park, Oak Forest and Orland Park, one drug store offers discount prices to senior citizens; several civic organizations have given monetary help.

The villages have offered their assistance by lowering the cost of vehicle stickers and occasionally assisting in obtaining space for the clubs' meetings.

If the villages combined their efforts and thoughts, much more could be done at minimum costs.

Park districts could offer passes entitling senior citizens to reduced rates at theaters and other amusements (high school plays and sporting events still hold a spot of interest in the minds of many senior citizens). Certainly park districts could spend a little of the tax payers dollars for members of the district over 65 years of age as well as those under 18 years of age.

Villages could make arrangements with garbage disposal companies for reduced garbage pickup and pay for the small difference out of a surplus fund.

Library districts could offer arrangements for viewing movies that are available through their systems.

Adequate lower income housing, restricted to those of senior citizen age would be a great asset to those on social security. Plans are now under way for this type of housing in Brentwood, Tinley Park.

Transportation always presents a problem. Many senior citizens are not able to drive or financially own a car. Those who do drive during the day often hesi-

tate to enter our "concrete killers" after dark. Possibly a commuter bus service could be lured back to the suburbs.

There are many problems and many solutions. Some answers are not workable — some are. We will never know which are the workable ones until a well informed group actually sits down and discusses the ifs, ands, and buts of the situation.

Nearly \$10 million (state funds) will be made available for social services for the elderly during the next fiscal year. This is five times what is available this year.

The state plans on pursuing a policy of state funding to develop coordinated community based programs for the problems of the elderly.

Money returned to the people from the government is great. The senior citizens have been paying to the government for years and although quite a bit

of it is lost to the "middle man" holding a governmental filing position, it is nice of the government to offer to return a small portion.

If our local governments and citizens would organize it might be possible for them to direct the spending of these governmental funds.

If the spending decisions are left to Springfield, Illinois could possibly end up with \$10 million worth of stock in a newly constructed Cook County race track.

We recommend a joint meeting between Tinley Park, Oak Forest and Orland Park, with representatives from village boards, park districts, chambers of commerce, Jaycees, library districts and interested church and civic groups. Definite headway could be made with "progressive" members from these groups combining their thoughts.

Tot trip panics parent

By Gertrude Gallagher

It was a bad scene.

All the signs of a Hitchcockian nightmare were there. I was being overcome by little things. The real horror was they were all some mother's four year olds - my own included.

I looked around and saw I was surrounded. Suddenly I had the feeling the world had been taken over by the munchkins.

I had come to the train station to say goodbye to the Peanut Butter Kid. I certainly was not up to being engulfed by the 4 year old's peer group.

The old Blue Island station house was swarming with 50, give or take 100, four and five year olds who were also leaving on the 9 p.m. train. God help the adult escorts!

They came in assorted clothes all of which were put on backwards or crooked or untied. Each clutched a brown bag lunch that looked rather sad from repeated use in zonking friends on the head.

It would break the monotony to say they came in assorted sizes. But they didn't. They were all the same size - small.

I sat down to hide my awkward height. Caution had me put my feet well under the bench. I had come in with ten toes and I fully intended to leave with ten unutilized toes.

One lilliputian sat next to me. Well, really they were sitting all over me. But one sat and just stared at me without blinking. I tried staring him down but lost and blew my cool. I looked away first.

Joey kissed Amy who catapulted backwards from his juicy smack with a "Yech." Joey kissed Nicky who catapulted forward and gave Joey a half nelson.

Fifty, give or take 100, kids rattled the lock on the empty newspaper container. Now that's an ear bender.

Intellectual conversations were all around me like, "How old do you think I am?"

"Five."
"Right." or
"What's your name?"
(Saucer eyed stare.) or
"What kind of samidage do you got in your lunch bag?"
"Peanut butter and jelly."
"Me too."
"What kind do you got?"
"I don't got a lunch bag."
"You do."
"I don't. I got a lunch box."
"Oh. Well-I. Well, what kind of samidage?"
"Peanut butter and jelly."
I was getting the sticky feeling of being surrounded with 50, give or take 100, peanut butter and jelly samidges.

An old woman came into the station. Long coat, skinny legs in loose fitting black oxfords she stepped into the midst of the maelstrom of little people. Once a year she rides the Rock Island and she would pick today! She retreated hastily to the platform. Better a death by pneumonia than asphyxiation by wee folk!

Then the adult leader, who had been checking off names, committed a real blooper.

"Does anyone want to go the bathroom before we leave?"

Fifty, give or take 100, kids all walked into the ladies room. All together - no sex lines drawn!

The train arrived and with it came a few tears and woeful waves. Also a few smiles on the station master's face.

Someone said, "I don't see Nicky." "He was in the station." Nicky was retrieved from the bathroom.

And so off into the west went the train to Joliet. The contents of the brown bags and lunchbox would be eaten in the Joliet station before making the return trip.

"How was your trip?" I asked the kid when he was ejected from the train.

"Oh, that was exciting," he replied. I wondered what that meant.

But as the saying goes, it's the little things in life that count.

shoulder, comes scrambling back in a mad effort to locate the ball.

The result is, according to Mr. Lesch, that in shifting back from the left eye to the right eye, subconsciously, the player loops the clubhead over and cuts across the ball, producing a slice. Having proceeded this far your correspondent might as well go on and quote from Mr. Lesch's exposition, setting forth the remedy:

"Keep the chin behind the ball. If one will do this he will look at it (the ball, not the chin) naturally with the left eye. This permits one to keep the club in the proper swing plane coming back at the ball on the downswing."

Another way to cure a slice, an unwanted hook, and generally improve your game is to leave the ball at home or in your locker, and just swing the clubs. It is wonderful what you can do when you just swing the clubs with no ball there to create problems.

Your drive is straight down the middle, well over the 200-yard marker. Your second shot puts you on the green. Then let your conscience be your guide as to whether you take one or two putts. That takes care of the par 4's and 5's. Naturally on the par 3's you can expect to get birdies — sometimes even a hole in one! That's the new golf — faster, cheaper, and you get such marvelous scores.

the Fence Post

Editor:

To the Taxpayers of High School District No. 228: (Bremen, Tinley Park, Hillcrest and Oak Forest High Schools)

On Saturday, April 8, there will be an election to fill three vacancies on the Board of Education of District 228. The Teachers' Union has endorsed the so-called "Balanced Slate" of candidates.

In the past election the teachers by tactics which included propaganda in the classroom were successful in getting their candidates elected and consequently, of the seven seats on the board, three are now occupied by teacher dominated board members. If they are successful this time, all but one of the seats will be owned by the Teachers Union.

It doesn't take much imagination to predict the outcome of salary negotiations between the Teachers Union and a teacher controlled board of education. It can only result in a further inflated salary schedule (which presently runs to \$19,947 for nine months work). This obviously means higher real estate taxes.

As retiring board members of District 228, we urge that you vote in your own self-interest for the following independent candidates:

For three-year terms — Lee A. King; Ronald G. Harley.

For one-year term — John F. Yuska.

In the event the union is successful once again, there will only be one voice heard in District 228 and that will be the Teachers Union. The taxpayer, student and parent will no longer play a role in the control of their schools.

This will be your last chance.

ROBERT L. BOHMAN
HOWARD C. BRIGGS

Editor:

As a candidate for a three year term on District 228 Board of Education, I feel it is imperative to inform voters of this district that I am running as an independent candidate. I do not have the backing of any special interest group or organization. I am not a candidate on any prearranged slate.

I attended all four candidates' nights at the high schools in the district stating my qualification, speaking to the issues and answering questions. I welcome the support of individuals within the district who have made themselves aware of the issues and the candidates.

RON HARLEY

Editor:

I am running for re-election to the District 228 Board of Education. I want the voters to know that I am an independent candidate. I am not supported by any group and would vote my conscience on all issues.

LEE A. KING

Editor:

Being fearful, but not very, of being considered obnoxious, contentious and a real dirty bird, I must protect the use of public or private funds in any community for fleeting thrills or kicks. I have reference to the fire works display that will take place over in Orland Park provided a source of supply can be found for the fireworks. You would think that the recent display would be sufficient for many a day. Why not let the bodies get cold before another display?

By some illogical reasoning explosives have been connected with the birth day of our country. By my very stupid assinine way of thinking, explosives are connected with death and destruction. You could even protect our national anthem wherein Key wrote about bombs bursting in air.

Couldn't the money spent on noisy air polluting displays of rockets and bombs bursting in air for their red glare be better spent on a scholarship or scholarships for some student who may leave behind a better world? Of course those who claim to hate war, but always love the smell of gunpowder will find my suggestion reprehensible.

Some people claim to be 150 percent Americans. They are such patriots that the Bill of Rights is a sometimes thing. I hope I am rebutted, although I do suspect super patriots are not long on much else.

LYMAN ANFIELD

Dear Editor:

Saturday, April 8th is election time for District 228, so it's time to again see how our tax dollars are being spent.

Remember in 1970 we sent five of our seven board members to a convention in San Francisco for a total expense of \$2207.00? I want to also point out that expenses for four of these people who stayed four nights and four days averaged \$408.00 each. Ronald Harley, the fifth person we sent, stayed only three nights and two days, but his expenses totalled \$574.00! (of course Mrs. Harley was with him "at her own expense"!)

Things got a little better in 1971. The convention was in Philadelphia, and we only sent three of our seven board members to that one, for a grand total of \$847.00.

The Clean Sweep candidates were elected at this point. The convention for 1972 is coming up now, again in San Francisco. So far only one member is slated to go! However, Mr. King has put in a bid to go if he is elected!

Somehow it would seem one member could gather enough information and be

able to communicate with six other members! Are we paying exorbitant school taxes so people can go to conventions, or should this money go to educate our children? Things got better with the election of the Clean Sweep Candidates, now let's put three more quality candidates on the board, namely Jugenitz, Borland and Grove.

HARRIET ROSENBAUM

(Editor's note: Due to the seriousness of Mrs. Rosenbaum's allegations, we called Ronald Harley, again a school board candidate, for a reply. He emphatically denied that his wife was not even with him in San Francisco in 1970. Harley added that his extra travel expense was due to a higher plane fare, as he had to be at the convention before the chartered flight for delegates left Chicago.)

Editor:

This past year has been a tragic year for children crossing Central Avenue in Oak Forest; a few have met their deaths, many have been injured and all the compensation we have had is that stop signs have been installed at 151st Street, which I do not believe is accomplishing much.

They are more of a hazard due to the false security children feel because of them, and when in reality the drivers treat the stop as a nuisance stop, one that he has to make when it is his turn and most of the time he is concentrating more on the other drivers and when he should proceed, than on the pedestrians in the area.

It is easy to see that in this situation we need more than a stop sign; we need a stop light and while mentioning our needs there is a great need for more than one stop light along Central Avenue, we also need sidewalks from 147th to 159th.

The question here more than likely is "who will pay for it." Well, if most parents feel the way I do, that with all the other items we are being assessed for, this would be one item where I would really feel I would be getting my money's worth.

Our officials, I believe, may have their hands tied due to Central being a county responsibility, but my theory has always been "where there is a will there is a way." So I do hope that the officials will speed up action on this matter before there is another tragic death on Central.

A good deal has been written about the success of our officials in persuading the state to change its mind in regards to closing 159th Street during repairs and many businessmen are grateful. Well, how about making Mr. and Mrs. John Doe grateful for a change and take care of their needs.

WILMA L. WOOLARD
14755 S. Mission
Oak Forest

Editor:

In reference to a letter published in your March 29 issue, as a new resident and a mother of four children, attending schools in District 140 I would like to state my views on the upcoming referendum on April 4. I too would like to have the best education for my children.

The letter referred to previous referendums defeated during '71 in the amount of 1.3 million dollars while this referendum totals 3.1 million. Perhaps the author does not understand that last year's referendum was for one building program which would have built only one school. This referendum is a five-year program to include three new schools and two school addition programs.

He refers to this referendum, if approved not having any effect for next year as far as relieving 1/2 day sessions. Possibly he is unaware of the Board of Education having investigated Modular construction which can be delivered in 120 days, therefore, if this referendum is passed on April 4, District 140 could have complete construction in more than enough time for the school opening of the '72 term.

Educational taxes alone will not increase his tax bill by 12 per cent. Based on a \$7,000 assessed valuation this man would only sustain a \$84.70 tax increase "over a five year period". As a mother of four children, I feel that \$21.20 per child, is well worth a five-year building program that will enable my children to attend school full time. If my children were to be on half days for a five year period they would each lose five months or half school year of their education. One of my children presently attending full time in an over-crowded classroom is already suffering educationally.

True, the Village of Tinley Park is helping school districts with donations from builders however, the amounts are not great enough to build schools on these funds alone. The state of Illinois is looking into abolishing real estate taxes to support school systems but it may take years to realize the money for schools as they have just begun looking into this. This five-year program is the minimum amount necessary to keep District 140 abreast of the population growth in our area.

As a member of the Citizens Advisory Committee in District 140, it has been my sincere hope that we will be able to explain this program to all residents so that they can properly evaluate our problems and vote accordingly. If anyone has further questions please feel free to call our hot lines: 532-8253, 532-6231, 532-6462 and 532-2126.

I would also suggest, Mr. Rasmussen, the next time you decide to publish a letter, to print "all the facts" and that your \$935.88 tax bill was not based on a \$7,000.00 but on a "11,000.00 or so" equalized assessment.

MRS. MAUREEN MC GINLEY
7430 W. 163 Place
Tinley Park, Illinois

Letters to the Editor

Editor:

From time to time, rumors are circulated that this board of education, serving Carl Sandburg and Amos Alonzo Stagg High Schools, is planning to change the school boundary lines or to bus students. The following is a statement of position from the Board of Education of Consolidated High School District 230.

"The Board of Education has never considered and is not now considering any proposition to change the boundary lines of the school district. During the past 18 years, a few approaches have been made to the Board to annex territory North of 87th Street and territory East of Harlem (in Palos Heights) to the district. The board has taken the position in these inquiries that District 230 is large enough, all of Orland and Palos townships and part of Bremen township, and that the addition of more territory would only add to district financial problems.

The Board of Education has a responsibility to provide education for resident students only. At no time, past or present, has the Board or Administration considered any plan to either bus students of the district or to bus students from outside the district into either Carl Sandburg or Amos Alonzo Stagg High Schools."

The board of education, in restating their position, re-emphasized that they shall continue to pursue their goal of continuing to develop the very best educational program, with resources available, for every child whose parents live within the school district and pay taxes to support the school district.

W. O. FISHER
Dist. 230 Superintendent

Editor:

On Tuesday, April 11, the residents of the Frankfort Public Library District will have an opportunity through their vote to elect four library board trustees.

As one of the current library board trustees, I am proud of the progress our new library district has made in providing expanded library services to our community. During the past year our circulation has increased by 25 per cent over that of 1970, and, as "card-carrying" members of our library district, individuals are entitled to reciprocal borrowing privileges with all member libraries of the Bur Oak System as well as the Chicago Public Library and all its branches.

Famous art prints available for six week loan, a record collection and an extensive selection of 16mm audio films are just some of the services that the Frankfort Public Library District offers its residents.

As a candidate for re-election, I look forward to my district's support and to its growing interest in our library. Votes can be cast at the library between the hours of noon and 6:30 p.m. on Tuesday, April 11.

PATRICIA BROWN
Frankfort Public Library

On second thought

Play it where it doesn't lay

By Glenn Logan

"You can't hit 'em from memory."

That bit of advice has been given by many a golf pro to many a pupil, who, too eager to see how far his ball went and where, looks away from the ball about the time he starts his downswing.

"You looked up," is a phrase frequently heard in the course of a round. Sometimes it is made as an accusation, sometimes as factual information, and sometimes as a message of consolation to some poor soul for a miserable shot.

Even the pros are guilty at times of trying to hit from memory. Sometimes ago I recall reading a theory advanced by Gene Lesch, the pro at Long Grove, who subscribes to the favorite maxim of top flight strategists in war or commerce — divide and conquer.

"Keep your left eye on the ball if you would avoid slicing," was his advice.

In the event someone is reading this who is not familiar with golfing terms a "slice" is when the ball starts out like it meant business, that it had a mission and had every intention of carrying it out — then when it should be going straight on it begins curving to the right. Sometimes it curves to such an extent that one wonders if perhaps it had been crossed with a genuine, Australian boomerang.

One doesn't always slice, especially on a dogleg hole where one wants to fade the

bend. On doglegs or holes where the fence along the left is out-of-bounds, one is more likely to "hook", (curve to the left). On the other hand if out-of-bounds is to the right, or heavy rough, interspersed with trees and shrubs, with maybe a water hazard or so, lies to the right of the golfer, he is pretty sure to slice.

The pros insist that it is the way the club face encounters the ball that produces a slice or hook, and to prove their point will stand up there and slice or hook, on call. This is extremely irritating to the weekend player whose shots invariably curve either way, and finally come to rest in a bad lie.

Getting back to Mr. Lesch, his theory is that most golfers being right-handed are also right-eyed.

A right-handed player, he contends, uses his right eye to look at the ball when he addresses it.

So what happens, according to the Lesch theory? When the player takes his backswing his right eye gets busy elsewhere and loses contact with the ball, thus leaving the chore to the left eye unless that orb had gone gallivanting with the right. Now the downswing has started. The player is shifting his weight from the right side to the left.

Mary Knoll No. 3

An array of goodies greet the eye of all who enter the Mary Knoll Bakery in the Village Square, Francis and Cedar roads, New Lenox. The firm has two other bakeries, one at Lockport, and one at Plainfield. Walter Wrobel is the owner, and the manager of the New Lenox bakery is Lottie Prybel.

Teens sponsor Easter event

GINGERWOOD — On Saturday, April 1st, the Gingerwood teens held an Easter egg hunt for all the little kids at the forest preserve south of 167th Street on Central Avenue. Forty-five dozen eggs were donated to the teens who colored and decorated them. Approximately 150 kids participated in the hunt. Prizes were awarded by the teens which they paid for themselves. In the two to five year old age group Timmy Stevens won first, Jimmie Neeley was second and Johnny Leja was third. In the six to nine year group Bob Johannas was first, Joe Dzik was second and Mark Korecki third. In the ten to twelve year old group Mark McCoy was first, Gail Gorman was second and Kevin Burns third. Timmy Stevens was overall champion egg hunter with 30 eggs.

Frosh to register

ORLAND PARK — Freshman registration at Carl Sandburg High School will be held April 11, 12, 18 and 19, at the school, 133rd and LaGrange Road. Students have already received a schedule of when they are to appear at the high school. James Adcock, director of guidance at Sandburg said at least one parent must accompany the incoming student.

Obituaries

HAROLD E. STELTER

Funeral services for Harold E. Stelter, 60, of 409 Farmington, Joliet, were conducted Friday, March 3, from the Overman Chapel to Peace Lutheran Church, Plainfield. The Rev. Vern Ellis officiated and interment was in Woodlawn Cemetery.

Mr. Stelter died Tuesday, March 28 at St. Joseph Hospital, Joliet; he was born May 2, 1911 in Orland Park.

Mr. Stelter was a mechanical maintenance foreman for 34 years at Commonwealth Edison Company, until he retired a year ago.

He is survived by his wife, Adele; two sons, Robert and Donald, both of Joliet; a daughter, Mrs. Warren (Susan) Parthen, Tucson, Ariz.; a sister, Miss Irene Stelter and a brother Alvin, both of Orland Park.

STANLEY E. LELAND

Funeral services for Stanley E. Leland, 74, of 17612 S. 67th Ct., Tinley Park, were held Wednesday, March 29, from the Hirsch Memorial Chapel to the Tinley Park United Methodist Church. The Rev. William M. Mace Jr. officiated

and interment was in Bohemian National Cemetery.

Mr. Leland, a resident of this area for 30 years, died March 27 after a short illness at his home. He was born Feb. 6, 1898 in Minnesota.

He is survived by his wife Kathryn nee Miklas; two sons, Paul M., Homewood, and Stanley Jr., Kansas; three

sisters, one brother and five grandchildren.

Whitaker questions lawyer fees

By Mitchell J. Sobota
WESTHAVEN — The village board granted Village Attorney Ronald Glink the authority to pursue the legal battle of Fernway's annexation to Orland Park with any and all action necessary.

The authorization was made public during the board's Saturday, April 1, meeting. The motion for authority was made by Trustee Ralph Aldrich with Trustee Diane Bartholomey abstaining. Trustee John Miller was absent.

During the president's report, Curtis Whitaker once again stressed for unity among the board members. He said that a breakthrough has been made with the proposed building program by Tekton.

Village Clerk Charles Short announced that the extended time for citizens to obtain village stickers for their cars has expired. He said that those who have not yet purchased the 1972 stickers will have to pay the normal fee plus an additional charge for being late.

Attorney Glink presented his legal opinion concerning back pay for former trustees and clerks. An Illinois constitutional law states that no municipal officer may receive an increase or decrease of salary during his or her term of office. In December 1968 the village passed a law which allowed for trustees to receive \$15 per meeting, with an allowance for officers to be absent from two meetings per year with pay. Consequently, depending upon time of election and term of office, some officers will receive back pay while others will not.

The village attorney's bill for legal services amounting to more than \$5,000 was discussed in detail between the board and Attorney Glink. Glink stated that his retainer fee of \$250 per month, plus \$45 per hour was agreed upon by the board. Glink said that other municipalities are charged \$50 per hour and even higher. "This bill is for all of 1971," said Glink.

Trustee Aldrich said that Westhaven

has the best municipal attorney in the Chicago area and is well worth the cost. "I don't know if we are getting rooked by the attorney or not," said Whitaker. "But we'll look into the bill more closely." Glink replied that anytime the village wishes to sever relations with his firm, that he will do so.

Trustee Bartholomey made a motion that the two playlots be covered with blacktop to prevent wear and tear, particularly in the area of the swings. Trustee Donald Kellogg suggested that for the safety of the children, sod should be used and not blacktop. Bartholomey agreed and a motion to that effect was passed.

Trustee Meredith Macki presented the village bills for the month of March amounting to \$1,400. The bills ranged from pay for the trustees to the village's telephone bill.

Macki revealed that officer Mike Graczyk was not covered by insurance during his injuries at the explosion site. It seems that due to an oversight, the officer was protected only if he had been in the police car. However, because the county had put out the call for assistance at the explosion, it indicated that it would possibly cover the officer's hospital bill.

Mayor Whitaker stated strongly that rules be made stating that in the future, any police officer could not leave the village limits without first obtaining permission from a member of the village board. Trustee Charles Downey disagreed, saying that a time may come when the officer may not be able to reach any one during an emergency.

Whitaker volunteered to take Downey to other villages in order to see how their police departments operate. "We've got to keep our finger on the pulse," said Whitaker. "Many men only want to look sharp in their uniforms and keep the police cars nice and shiny. We can't allow for any hanky panky. The officer must log every call he receives and an-

swers. If I catch any officer outside of the village limits without permission, I'll fire him right on the spot with no questions asked," said Whitaker.

During the new business portion of the meeting, Mayor Whitaker announced that there should be a better system at the school crossings. Guards should be appointed at the North West Haven and at 94th and 167th Streets school stops. The board agreed to look into the matter with consideration of uniforms, hours, remuneration and the number of guards needed.

Trustee Aldrich presented resumes for the possibility of hiring two men as village inspectors. The qualifications of each man were studied and approved. Donald Winchell, 16825 S. Haven Ave., will be hired as the village electrical inspector at the rate of \$5 per inspection per unit. Dennis Ward, 16766 S. Hobart Ave., will be hired as general inspector at the rate of \$30 per unit inspection. Both applicants were agreed upon unanimously by the board.

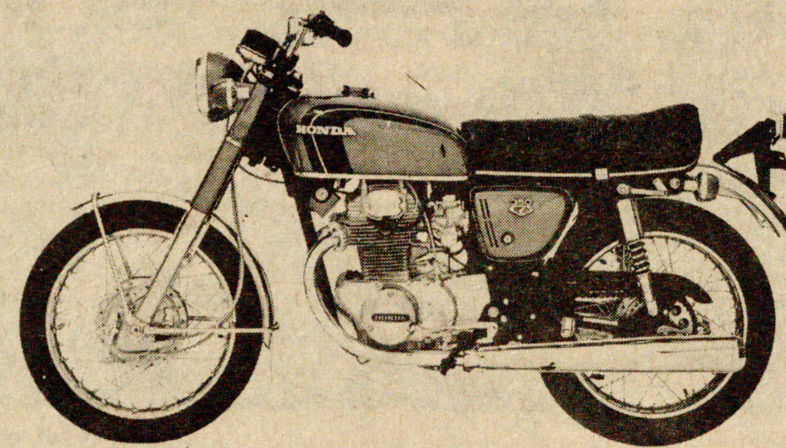

When the meeting was opened to the public's comments, Mrs. Woodruff expressed concern about the fact that the police officer was not insured at the time of the blast. She said that due to the oversight by the board, that the citizens may be paying for the rest of their lives in case of a lawsuit. Mayor Whitaker assured her that the present insurance

policies would be looked into and corrected.

Marilyn Cox of Fernway presented her objections to Westhaven's objections concerning the Fernway annexation. She said that Westhaven has no fire department, no police department, no village hall to handle the additional 1,200 citizens and no library, whereas Orland Park has all of these. She said that Westhaven's tax rate is in excess of nine percent whereas that of Orland Park is only seven percent. Mrs. Cox said that Westhaven is not prepared to take on the additional 1,200 people.

Obituaries

ROBERT ROCK

Funeral services for Robert Michael Rock, two year old son of Michael and Suzanne (nee Marchant) were held March 27 at St. Michael Cemetery, Orland Park. Visitation was at Schmaedeke Funeral Home, Orland Park.

Robert Michael died March 20 in Hot Springs, Arkansas. The family lives in White Sands, New Mexico.

Paternal grandparents are William E. and Emma Rock, Hot Springs, Arkansas, formerly of Orland Park.

Maternal grandparents are James Marchant and Patricia Marchant Panoost.

ALMA B. MARTI

Funeral services for Alma B. Marti (nee Bauch), 79, 1118 Clemens St., Joliet, were conducted last Friday, March 31, from Faith Lutheran Church, Joliet. Rev. Harold J. Bolm officiated. Interment at Pleasant Hill Cemetery, Frankfort.

Mrs. Marti died March 28 at Salem Home, Joliet. She was born in Frankfort and has lived in Joliet for the past 58 years.

Surviving are her husband, Walter; two daughters, Mrs. Mildred Wynne, Plainfield and Mrs. John W. McGehee, Leona Valley, Calif.; one brother, Arthur C. Bauch, Frankfort; five sisters, Mrs. Elsie Clelland and Miss Emma Bauch, Joliet, Mrs. Lillian Rainford and Mrs. Katherine Heisner, Frankfort and Mrs. Annie Schroth, Chicago; three grandchildren and several nieces and nephews. Preceding her in death were her parents; one brother, John Bauch; and one sister, Ida Brookman.

Funeral arrangements by Carlson Funeral Home, Benton and Youngs Sts., Joliet.

JAMES F. BATTLE

Funeral services for James F. Battle, 73, 120 Second Ave., New Lenox, were conducted Saturday, April 1, from St. Jude's Church, New Lenox. Interment at St. Mary's Cemetery, Evergreen Park.

Mr. Battle died at Silver Cross Hospital March 29. He was a member of St. Jude's League of the Chicago Policeman

Department and a former New Lenox Village Trustee.

Survived by his wife, Florence; one son, James F.; two daughters, Mrs. Jerry Ryan and Mrs. John Swanke; 16 grandchildren; one great grandson;

two brothers, Frank P. and Edward A. Preceded in death by a son Gerald and six brothers.

Funeral arrangements by Baskerville Chapel, Lincoln Highway and Robert Street, New Lenox.

De Molay honors 'Dad' Webster, Tinley advisor

TINLEY PARK — The International Supreme Council, Order of DeMolay, recently conferred the Honorary Legion of Honor on Dallas E. Webster of Tinley Park. The ceremonies were held at the Scottish Rite Cathedral in Chicago. "Dad Webster" received the award for his twenty-five years of service as a DeMolay Advisor.

The DeMolay Association of Northern Illinois sponsored the ceremony during their "Annual Reunion" meeting. Nearly five hundred DeMolays, Advisors and friends attended the public program.

"Dad" Webster began his DeMolay Advisory Career with Swordsmen Chapter in Joliet and served for over twenty years.

As district deputy he assisted in the development and institution of the Stanley R. Garrity Chapter of Tinley Park, where he is currently serving as an advisor.

Mr. Webster is a 32 degree Mason, member of Chicago Heights Lodge 851, A. F. Rite and other masonic affiliates. He has

previously been awarded the DeMolay Cross of Honor and the Zerebulum Award.

Among the others receiving the award were W. Clement Stone, noted insurance executive, and Herbert H. Behrel, Mayor of DesPlaines.

After receiving the award, Webster attended a reception in his honor at the home of his son, Kenneth Webster. At the reception he received letters and telegrams from President Nixon, Governor Ogilvie, Senators Percy and Stevenson and State Representatives Rayson and Moore.

A THOUGHT
TO REMEMBER
BY JIM HIRSCH

Our bodies are well fed, but our souls are underfed when we fail to say, "We thank Thee for our food." Even with the prayer at meal time, our souls sear from malnutrition when we ignore the constant hunger pangs, the silent suffering of starving multitudes.

Indisputable sad statistics show 4 out of 5 people on earth are underfed. Two out of three people on earth have constant, horrible hunger. They NEVER have had enough or get enough to eat. Unlike many of us who despair when food wants, likes and dislikes must be changed to overcome an overweight problem, these starving people have other reasons for despair. They have never once enjoyed the luxury of snitching snacks between meals. They can not even find the snacks and dare not mention meals. They have good reason to agree with Sophocles who wailed, "Better never to have been born at all."

Their predicament is by far the most serious problem in the world today. Proof will be shown here next week. Watch for it.

District 230 allows recording machines

ORLAND PARK — The District 230 Board of Education, March 27, approved a policy allowing for the use of mechanical recording devices at regular board meetings. The policy allows for such usage if it is not disruptive to the orderly flow of business. The board, however, requested that prior notice be given, if the meeting is being recorded.

In other action, the board also received information that school premises may be used for "Bingo", if the requesting organizations meet all the other qualifications as stated in Section 11-01, Chapter 120, 1971 Illinois Revised Statutes. The Sandburg Booster Club had previously requested such permission.

The board was informed that five candidates have filed for the Annual Election of the Board of Education to be held Saturday, April 8. Those seeking election are, in order of filing: Richard Dohner, June Dick, Doreen P. Crewe, Elmer Clausen, and Michael L. Beard. Dohner and Clausen are incumbents. Absentee ballots are available in the office of Mrs. Barbara Putnam, board secretary at Stagg High School, 111th and Roberts Road, Palos Hills. Polls will be open from 12 noon to 7 p.m. at Sandburg and Stagg High School. The board also approved the list of election judges as submitted.

The board recommended Superintendent W. O. Fisher, to seek an extension for the Life Safety Work planned at Sandburg, because of the impossibility of completing such work before June 30, 1972.

In other action, the board also instructed the superintendent to seek bids on six new buses for next year.

Board members Fred Mulhausen and Patrick Henry were appointed to work with the administration and the athletic directors to complete a policy of the responsibilities, functions, duties of the director of athletics in District 230.

The superintendent was also directed to draw up plans for the possibility of installing bleachers on Stagg's athletic field.

VERY ORIGINAL.

We call it The 14th Colony. You'll probably call it revolutionary. It's located in the scenic Fox River Valley countryside about a half mile east of Batavia. The 14th Colony is a settlement for families who value such old-fashioned virtues as good taste and community pride. It has been carefully planned with vital protections written into every deed, in the same manner Arthur T. McIntosh & Company has established the enviable communities of Inverness, Prestwick and Farmington. And it's very original. Each piece of land is irregular about one-third of an acre. The homes are inspired by Early Americana and reflect tasteful architecture and craftsmanship rarely found in the homes of today. The detailing is exquisite and warm touches of elegance abound in

quarry tile foyers, beamed ceilings, curving staircases, oak floors, huge raised hearth fireplaces and wood panelling. All are built with honest quality. And while we believe in independence, every homesite has water, sewer and underground utilities. You can homestead at the 14th Colony from \$38,750 to \$55,000 including the fully improved homesite. Our boundaries are open every day—10 am till dark.

Buy your homesite now under contract. If you are planning to build in the future, or wish to invest in land, you can purchase your 14th Colony homesite direct from Arthur T. McIntosh & Co.—20% down, 7% simple interest. * Homesites range from \$9,000 to \$12,800.

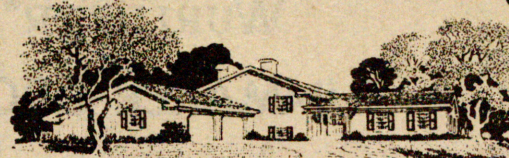

*Example—\$10,000 purchase, \$2000 down, 84 monthly payments of \$120.75, 7% annual percentage rate.

DELAWARE — \$30,950

JAMESTOWN — \$35,500

PENNSYLVANIA HOMESTEAD \$32,900

VERMONT FARMHOUSE — \$41,700

NEW HAMPSHIRE COTTAGE — \$36,050

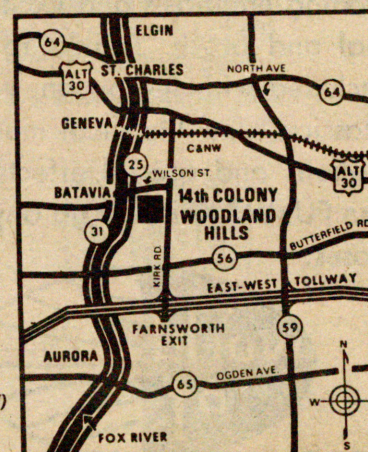

Model prices above do not include homesite.

Take E-W Tollway to Farnsworth exit (4 mi. west of Rte. 59); then north 2 mi. to property entrance on Kirk Rd.

Open house at Moraine

PALOS HILLS — The first phase of Moraine Valley Community College's permanent building and the twelve interim buildings on the college campus, 10900 S. 88th Ave., Palos Hills, will be open to the public from Wednesday, Apr. 12 through Sunday, Apr. 16.

The five-day open house provides an opportunity for the community to tour the facilities, meet with MVCC students and staff and visit campus areas of interest.

Families and community groups are invited to tour the campus at their leisure from 1 to 5 p.m. Sunday, Apr. 16. Staff members and trustees will be present to answer questions.

Interested persons are encouraged to participate in the programs highlighting selected and designated areas from 10 a.m. to 2:30 p.m. Wednesday through Saturday. MVCC administrators will explain the college's educational plan and its implementation. The individualized learning center, library, study skills center, audio visual areas, dual and single pur-

pose science labs, secretarial science labs, information systems center will be open with qualified personnel on hand to describe their function and answer questions. Visitors will have an opportunity to sit in

with the class conducted by the college's vertical team.

Those wishing a schedule of events, or further information should contact the MVCC Public Information Office, 200 Building, 10900 S. 88th Ave., Palos Hills; phone 974-4300.

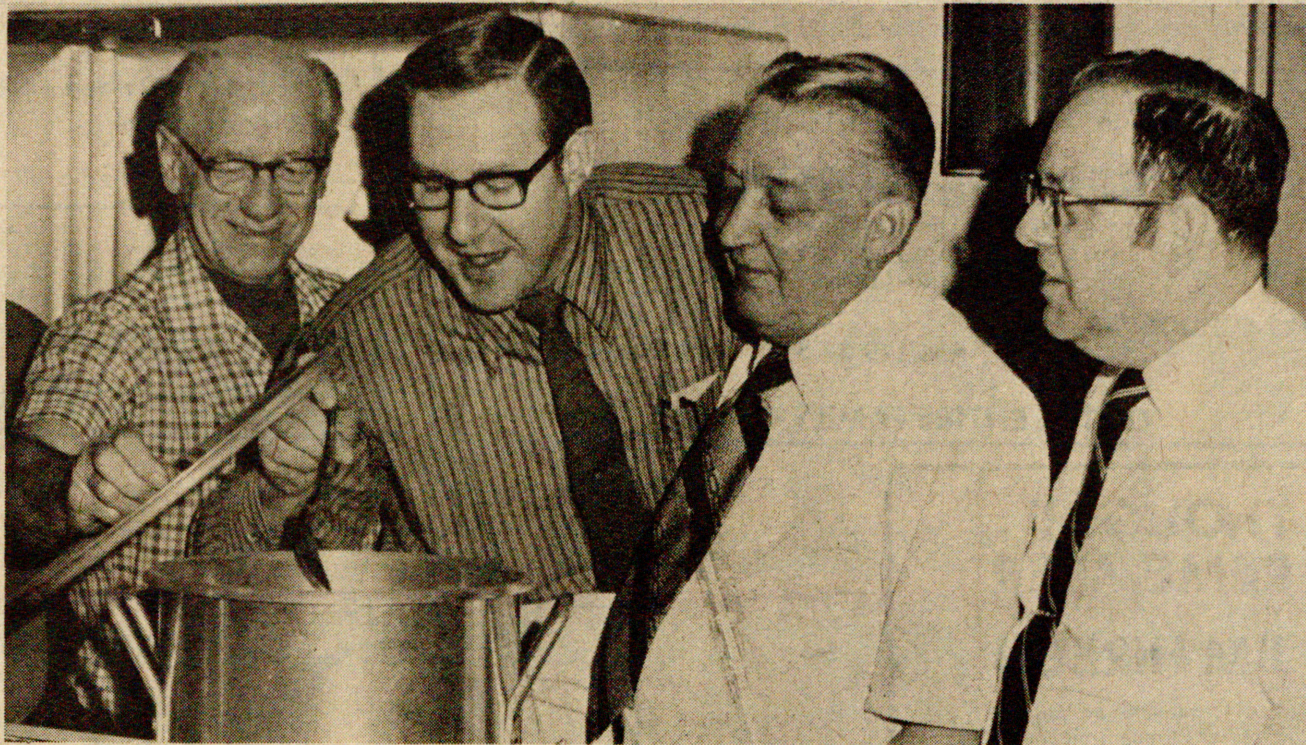

Govenors State slates festival

PARK FOREST SOUTH — A junior college jazz festival, university jazz band performance, and university chorus concert will be held by new Governors State University.

The premiere of an original composition composed for the GSU jazz band will be performed.

The schedule: April 12, 8:15 p.m. - jazz

band; premiere performance original composition. May 6, 2 - 10 p.m. - Junior college jazz festival. May 14, 8:15 p.m. - European tradition chorus. The National Endowment for the Arts in Washington, D.C., a federal agency, awarded a grant to pianist-composer-arranger Ken Chaney, to compose a three-movement work for the GSU jazz band.

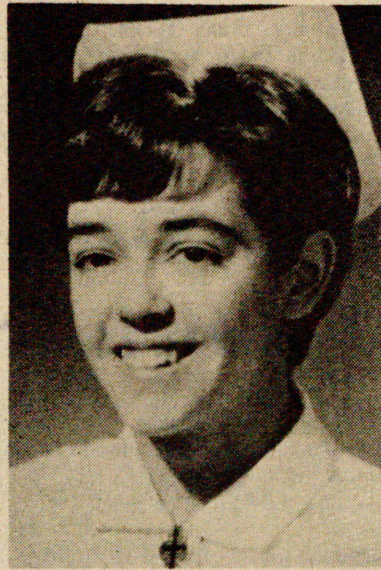

"Spaghetti doumecc" is being prepared by Chef Brent Loichinger (center) for the official tasters of the Orland Park Methodist Men's Club (from left), Gene Aspel, Bob Campbell, Phil Falkner and Walter Marquart. The club will serve its 14th annual dinner April 15.

Wedding bells to ring

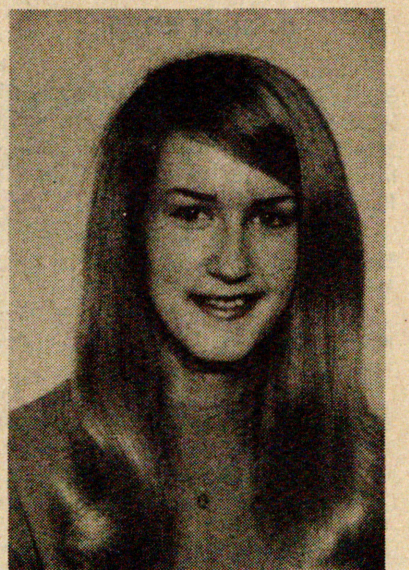

TINLEY PARK — Mrs. Don Hollingshead, 16901 S. Elm Lane Dr., has announced the engagement and approaching marriage of her daughter, Judith Ann, to Otto Stedronsky, son of Mrs. Blanche Stedronsky.

Miss Hollingshead is presently employed at Presbyterian-St. Luke Hospital and her fiancé is employed in the auditing department of American Air Lines.

A May 6 wedding is being planned at the Tinley Park United Methodist Church. After a honeymoon trip to the Fiji Islands the couple will make their home in Oak Park, Ill.

JUDITH ANNE HOLLINGSHEAD

KATHLEEN MAE KING

TINLEY PARK — Mr. and Mrs. Henry King of Sundale Ridge, Tinley Park, announce the engagement of their daughter, Kathleen Mae, to Dale Melin, son of Mr. and Mrs. Arthur Melin of West Chicago.

They plan to be married July 8, 1972 in Orland Park Christian Reformed Church.

Kathleen will graduate from Northern Illinois University in June with a B.S. in education. Dale is a graduate of Southern Illinois University with an ABA in building construction.

Women's club election set

OAK FOREST — Election of officers will be held at the 46th annual meeting of the Forest Ridge Women's Club at 6:30 p.m. Wednesday, April 5.

Hostesses for the meeting will be the present club officers. They are: Mrs. Dorothy DuBois, president; Mrs. Jean Zielinski, first vice president; Mrs. Hattie Kearns, second vice president; Mrs. Mae Martinec, third vice president; Mrs. Cyrille Unger, financial secretary; Mrs. Virginia Gibson, recording secretary; and Mrs. Lillian Wittle, treasurer.

After a pot luck dinner the women will present a musical comedy version of a woman's club meeting. The ladies will be accompanied by Mrs. Marge Armstrong playing the piano.

Church women set luncheon

TINLEY PARK — The Women's Society of Christian Service of the Tinley Park United Methodist Church will sponsor a "Luncheon Is Served" party at 12:30 p.m. Thursday, April 13, at the church, 6875 W. 173rd Place.

Reservations for the event may be made by contacting the church office, 532-2980, or through members. Tickets are \$1.25 and a baby sitting service will be available. Children should bring a sack lunch.

Mrs. Allan Howie heads the committee on arrangements and is assisted by Mrs. Gerald Crandall. The menu and program will be supervised by Mrs. M.A. Woodall, hostess for the affair.

"Luncheon Is Served" is a national fund raising program available to women's organizations in 18 major metropolitan areas throughout America. It has operated as a community service for almost 25 years, providing luncheons by quality food and homemaking sponsors for the benefit of Women's non-profit church, club and civic groups in their various projects.

It's the French touch for an Italian feast

ORLAND PARK — A French chef, prepares an Italian meal, in a Methodist Church on America's Income Tax deadline date. This has got to cause indigestion.

However, Sigmund V. Smith, a veteran of these annual events says, "No." "All of them served in the past have been deliciously prepared and generously served," Smith contends.

The Men's Club of the United Methodist Church of Orland Park is serving its 14th annual spaghetti dinner Saturday, April 15, in the church's dining room. "A promise has been made by the club serving the meal that you can have all you can eat," Smith emphasizes.

The event will begin at 5 o'clock. Ticket donations are \$1.50 for adults, \$1.00 for students and 75 cents for pre-schoolers. A special bid for families is made with a \$5.00 ticket to cover the entire family.

The public is invited to share in the meal prepared by the club's French chef, Brant Loichinger, specializing in Italian cooking. He will again prepare his "spaghetti doumecc" topped with "sauce Italienne". He will be assisted by other cosmopolitan members of the club.

"Salad a la Schwartz" will be prepared by Phil Faulkner and table service will be supervised by Maitre D' Robert Campbell.

Arts, craft show slated

PALOS PARK — An arts and crafts show will be held at the village hall Sunday, April 23, with 45 local artists and craftsmen exhibiting their work.

The hours of the show are 10 a.m. to 5 p.m. The public is invited to attend and there is no admission charge.

Antique show at temple

OLYMPIA FIELDS — The eighth annual antiques and crafts sale will be held at Temple Anshe Sholom, 20820 S. Western Ave., from 11 a.m. to 10 p.m. Sunday, April 16 and Monday, April 17; and from 11 a.m. to 5 p.m. Tuesday, April 18.

Admission is \$2 at the door and advance tickets for \$1.50 may be obtained by calling Mrs. Robert Klein, 798-2721 or Mrs. Jerome Finder, 798-4350, or the Temple office, 748-6010.

Antique collectors novice or experienced, will find many articles of a wide variety, suitable to every interest and budget at the sale.

New this year, will be the introduction of rare coins, Primitive and Victorian furniture and decorative accessories, as well as old phonographs, collections of cut glass, art glass, brass, copper, silver, chinaware, antique prints and jewelry.

Also included will be a white elephant booth and home bake goods booth. A family supper will be served between 1 - 7:30 p.m. Sunday, April 16.

Further information may be obtained by calling the temple office before 5 p.m. on weekdays.

Astrologer explains 'science'

By Mary Straub

OAK FOREST — Twinkle, twinkle little star. How I wonder what I am! Have you ever pondered, if the planets really show me the way to a happier marriage? Or, if astrology can teach me to use my full sexual potential? How about, What has the sun to do with my choice of career, and where lies my greatest financial gain?

These are the type of inquiries made of Mrs. Dorothy Shields, resident of Oak Forest and author of "The Astrologers' Workshop." Mrs. Shields is a staunch advocate of the ancient science of astrology which states that every condition on the earth, the planets and heavenly bodies is the manifestation of their inter-relationship and influence on each other. Put that way, it follows that Mars may very well have a prominent place in the chart of a leader, or Venus predominate in the artist's chart.

Mrs. Shields would add, "Astrology is not specifically the telling of future events. It is the cycles shown in the zodiac which are predictive of events. The pendulum swings back and forth. Nature balances, so that the good you do, you receive back

again. You can learn of your negative qualities and thereby improve them. You can learn to stress your positive side and grow where you are able. The value of astrology lies here."

Her recently compiled book, "The Astrologers' Workshop" will be available in hard cover in the near future. At present, there are only 150 special edition copies of the book. It includes 10 sections — the zodiac, planets, signs, houses, etc., and a dictionary of astrological terminology. Each section is on a different pastel color paper. In all, it is an attractive book and easy to read, and Mrs. Shields believes both the student and teacher will benefit from using it.

She has spent three years synthesizing the works of old authors, such as Dane Rudhyar, Lewellyn George and Grant Lewi — foremost names in the astrology field — in order to "synchronize their works to get a semblance of order in the design of the hieroglyphs (astrological symbols) and general methodology of astrology for unity of expression."

Mrs. Shields and her husband, Gerald,

are founders of the Astro-Probes Aquarian Astrological Society, Unlimited, and Astro-Dynamics, Inc., through which the book is being published as will future data necessary to coordinate her work, such as up-to-date ephemerides which show the planets places at specific dates and times.

Currently, Mrs. Shields is the director of the department of astrology at Evergreen Park High School's adult education program. Her classes began there three years ago, when Evergreen Park was the first public school to offer astrology in its curriculum. So popular did it prove to be that in the coming fall semester there will be four astrology classes. Teachers have been appointed to instruct in the Shields' method.

Mrs. Shields predicts that her book will be used by high school students when astrology is made an accredited course — a future possibility.

"This is the age of Aquarius," she reminds her students, "and that is why we see an overwhelming interest in the psychic sciences, and why there is progress along

these lines. The outcome is truth, for the key word of the Aquarian individual is 'I know' and as such, is the motto of the Aquarian age."

Born in Milwaukee, Wisconsin, Mrs. Shields was a staff member of the Milwaukee Journal, writing a feature article in the Sunday Women's Section known as "The Spyglass" by "Dorothy." A busy woman with two young boys, she teaches, writes and lectures. She proudly points out the Zodiac sign drawings in her book which were sketched by her talented 12-year-old, Ted.

In the process of being published is her textbook in Braille, for Mrs. Shields believes that a handicapped person often shows exceptional aptitude in one or another area, and "the blind should not be denied the joy of charting now should their dormant intuitive ability to do so be denied."

The Astro-Probes Society meets on the first Monday of each month at the Colonial Savings and Loan Association, 4740 W. 95th St., Oak Lawn, at 8 p.m.

At the March meeting new officers were

appointed: Mrs. Shirley LoBianco, president; August Lawrence, treasurer; Lillian Schorles, membership chairman; Felix Rolewicz, program chairman.

Future program events will include a film on the Phillipino faith-healer, Tony Agaparo, and speakers on related occult matters.

Mrs. Shields, a serious student of the philosophies, advocates the esoteric seven hermetic principles as set forth in The Kybalion, and reminds that "astrology is not contrary to freedom of will, to religious belief nor to any science. Self-knowledge should be one's highest goal. Until man has acquired the power to face his own soul, he will never be able to overcome his own limitations."

So, whether you are a regal Leo, an analytical Virgo, a feeling Cancer, a gracious Libra or another of the signs, you might wonder about jovial Jupiter, fourth planet from the Earth — will its orbit bring luck? Will Saturn with its beautiful rings bring me limitation or redemption? There's a lot going on out there in our solar system. Grab your Aspectarian and let's go!

Faithful stewards

Hospital teaching challenge

TINLEY PARK — Zion Lutheran Church. We need food, not fancy food, but enough for health. We need clothing for warmth. We need shelter from cold and heat. And that just about summarizes our elemental needs.

Frankly, we have more of all these than we need. We eat too much. We have more suits and dresses than we need. And there are more cubic feet in our homes than really are necessary.

We tend to exaggerate the importance of these needs.

We have needs on a quite different front, needs that all the money of the world cannot buy.

We need love, and this cannot be bought. In fact, if anyone sets out to buy it, he risks killing it. Yet we all need the love of others more than we need health or wealth. It is really the bread of life. And the fountainhead of love is the Lord himself.

We need joy, and the profoundest joys of life are also beyond any purchase price. Joy is the capacity to feel with others, to sorrow with them as well as rejoice with them. It is the love of beauty and the ability to see and hear it all around. It is the peace of knowing that we can trust God.

We need hope, and hope does not rest on the statistical probabilities of tomorrow being better than today. Hope is in our Lord, in his love and his everlasting care.

It is no poetic exaggeration to say that the Lord himself is the bread of life, the hard stuff on which the spirit of man must feed to have love, joy

and hope. He who has the Lord has life in full.

Congratulations to the following confirmands at Zion Lutheran: Valerie Alpers, Susan Asher, Mark Benko, Debra Bettenhouse, Wayne Clack, Laura Etscheid, Ruth Freitag, Randall Hayes, Nancy

Hotwagner, Colleen Kelly, Charles Lohse, Pamela Mason, Michele Matura, Debra McPherson, Linda Patrick, Tamberly Ptach, Marilyn Quintinsky, Greg Rockrohr, Donna Schwer, David Smowton, Jeffrey Smowton and Raymond Westenberg.

Citizen committee reports

MOKENA — A citizens committee, appointed by the Mokena board of education to assist in solving some long range building problems has returned a report with three recommendations.

1 - The committee recommends that the board consider renovating its public relations program. Changes in the scope and frequency of the public relations program carried out by the board would result in a more favorable climate of public opinion, it was believed.

The committee suggested ways to bring this about. One method, it was

felt, would be a recorded telephone message carrying curriculum changes, coming events and board decisions. Another way, it was suggested, would be to have the superintendent's fact sheet sent to all the residents of the district and at more frequent intervals. More newspaper coverage was also suggested, as well as exposure of the board decisions and the school's needs through the PTA.

The committee reported that all of the available classrooms are being utilized, that the board is operating on a balanced budget, and is concerned for

the proper education of the pupil as well as the pocketbook of the community. The committee stated that the board should inform the public of what is needed in order to maintain a quality education, naming all alternatives. The real estate value of house and land should be related to the condition of the school system and the education pupils receive. The proposed subdivisions and their impact on the school and the taxpayer should be publicized.

2 - The committee recommends that the board consider some changes involving three "special use" classrooms in

order to obtain more room to accommodate the increasing enrollment for this coming school year of 1972-73. The "special use" rooms are not in constant use and a program similar to the one now employed in these "special use" rooms can be developed that will not require them. Combine the functions of the vocal music room and the band room into one room when another room is needed, it was suggested, as well as use the art room as a regular classroom and schedule art in the "home-room" in all grades or change the art curriculum to fit classroom needs.

The taxpayer has a right to expect the best use of his money, the report states, and he can expect that every good avenue of approach to this end will be utilized before additional revenue in the form of a bond issue will be required.

By September, 1973, the committee said, the district will need more classrooms than can be made available in the present buildings. More rooms will be needed because of the normal growth and because residential building is accelerating.

When these recommendations have been accepted, the committee believes, there will be adequate classrooms for the enrollment anticipated for the coming school year and every classroom occupied.

Some type of a year-round school plan would immediately make more classrooms available without passing a bond issue to construct more buildings, the report says. The most promising of these year-round school plans known as the 45-15 plan, would make more space available at once, the committee said, and the all-purpose room at Willowcrest could be restored to its former use, the district office returned to its former room and eight classrooms be available without any more building, the committee states.

3 - The citizens committee recommends that the board proceed to further investigate the implementation of a year-round school plan that could be put into effect in June, 1973. The committee deliberated many hours after gathering information and material pertaining to various year-round school plans, it was brought out.

"The resultant recommendation was based on several broad factors," the report reads. "Available studies indicate that the concept of at least one type of year-round school is educationally sound."

This is the 45-15 plan. (Pupils attend classes 45 days and are then at home for 15 days). It could be adopted to the needs of the Mokena school district.

The board commended the committee for its work and has taken the report under advisement for further study and analysis.

In The News

Dist. 122 announces calendar

NEW LENOX — Board of Education of the New Lenox Grade School District 122 has announced the school calendar for the 1972-73 school year which begins Aug. 30 and ends June 8.

There will be teachers' institutes Aug. 29, Oct. 2, Nov. 6 and Jan. 22. That means the teachers work while the children are with their parents on those days.

Thanksgiving vacation will be limited to two days, Nov. 23-24. The Christmas

holidays will be from Dec. 23 to Jan. 3. The spring vacation will be from April 23 to April 30.

Other holidays for the year will be Labor Day, Sept. 4; Columbus Day, Oct. 9; Veteran's Day, Oct. 23; Lincoln's Birthday, Feb. 12; Good Friday, April 20 and Memorial Day, May 28.

There are 181 days of schools for pupils, 185 for teachers.

Schools teach drug problems

NEW LENOX — Evils of drugs is to be taught early at New Lenox.

The Committee on Drug Education for the New Lenox Elementary Schools has given the board of education a review of the group's work in setting up a curriculum covering the subject from kindergarten through fifth grade.

The problem of drug education begins in kindergarten and primary grades with a modified plan that is appropriate for young children, it was pointed out. The program then continues on through grade eight with a progressively more comprehensive pattern of instruction.

Presenting the program to the board were principal and assistant principal of Haines School, Jerrold Karns and Terry Weber. Teachers who are members of the drug education committee are Della Smith, Mamie Erickson, Sharon Pfeifer, Nancy O'Brien, Nicholas Kent, Ray Wenter and Dan Vinton.

At the next board meeting Jay Johnson and Jerry Koehmstedt, who work with the drug education program at the junior high grades six, seven and eight, will present a review of this phase to the board.

District increases teachers' pay

ARBURY HILLS — The grade school board of Summit Hills District 161 has granted salary increases for the staff as proposed by Supt. Aldo N. Fanti.

The base pay now for a beginning teacher with a bachelor degree is \$8,000 up from 7,800. Top salary in this bracket is \$10,800.

A teacher with a master's degree gets a top salary of \$11,800 while one with a master's, plus 30 hours, would be \$12,800. It also was decided to reimburse teachers for additional hours devoted to professional study at the rate of \$30 per semester hour which is just double the scale in force this year.

Sick leave, which is cumulative, has been increased from 100 to 120 days. A day allowance for personal business which

has been charged against sick leave has been increased to two days and doesn't count against sick leave. The board will continue to carry hospital insurance coverage for all employees.

Beginning in July, the 15th and last day of each month will be payday. Substitute teachers will get a \$1 increase, from \$25 to \$26 a day.

Extra duty pay for teachers was raised \$50 from \$250 to \$300. The district secretary gets a raise of \$410, the supervising custodian, \$250. The school secretary gets a 20 cents an hour increase but the scale for the head custodian and the custodian are unchanged.

Two teachers have resigned. They are Janice Salzman and Jack Course. Mrs. Kathy Klick has been hired as a primary teacher for next year.

JJC library benefits area

NEW LENOX — Resident of eight communities, including New Lenox, in the Joliet Junior College District are now holders of borrower's cards from the college's Learning Resource Center.

Richard Brandolino, director of the LRC, reports that residents of the following communities are currently using the library facilities on a regular basis: New Lenox, Plainfield, Lockport, Morris, Mazon, Bolingbrook, Coal City and Joliet.

Earlier this year the JJC board of trustees approved a policy statement that allows all residents of the college district to use the services of the LRC free of charge.

In the past, the use of the library facilities had been limited to JJC students and faculty only.

Adults in the JJC District are issued a library card from the college which enables them to borrow materials. High school students are encouraged to use the LRC through the inter-library loan system between JJC and are high schools.

Application forms for the library card may be obtained from the college.

The LRC currently has over 30,000 volumes in addition to a variety of audio-visual materials. The facility is open Monday through Friday from 7:30 a.m. to 4:30 p.m., Monday through Thursday from 6 to 9:30 p.m. and Saturday from 8 a.m. to noon.

Around Town

FRANKFORT — Electors of the Frankfort Public Library District will vote Tuesday, April 11 for members of the Board of Trustees.

The library at 27 Ash St. will serve as the polling place and will be open as such between the hours of 12 noon and 6:30 p.m.

Four trustees are to be elected, two for full six-year terms, and two for unexpired terms.

The only contest is for the two six-year terms. There are three candidates for these two places, Patricia Brown, an incumbent; Sandra J. Beil and Ralph A. Eisenbrandt, all of Frankfort.

Joyce A. Bluth, Lincoln Estates, who was appointed to the board last year is running for an unexpired term of four years. She is unopposed.

Charles J. Shields, Frankfort, is the lone candidate for an unexpired term of two years. He too was appointed to the board last year.

MOKENA — At a recent meeting of the Mokena village board that body agreed to the request of the Orland Park village board and adopted a resolution to oppose any endeavor on the part of the Melrose Fireworks Display Co. to rebuild in the area.

The company which had its plant south of Orland Park, had a disastrous explosion March 6 that claimed three lives and injured several persons, besides causing considerable property damage over a wide radius.

The plant was outside the village limits of Orland Park but according to Mayor Melvin Doogan, of that community, every effort will be made to prevent this or any other firm dealing in explosives from locating in the area.

MOKENA — Protests against recent annexation of their properties on Wolf Road to the village have been lodged

with the village board by Mrs. Anita O'Sullivan and Mrs. Ada Hoogstra.

The properties were annexed because the village was on three sides of them.

The property owners said they did not know of the annexation until they read about it in the newspaper. Mrs. Hoogstra added that Mokena police notified her that her property was now in the village.

Mrs. O'Sullivan wanted to know if and when they would be required to connect to village water and sewer service, if they are annexed, and if there is a time limit allowed. She said she could not possibly afford to make sewer and water connections at this time.

Village Attorney George E. Sangmeister was not present and the board tabled further discussion until the April 11 meeting. The two property owners were invited to this meeting.

NEW LENOX — Ronald Olsen, instructor in the Lincoln-Way High School department of agriculture who is in charge of the recycling program carried on by students in the area, has written letters of thanks to the villages for their cooperation and loan of equipment.

The third Saturday of each month is set aside for pick-up of material from the collection sites.

So far, Olson reported 180,000 pounds of paper have been collected, 77,000 pounds of glass and 18,000 pounds of tin cans.

Service News

FRANKFORT — Navy Airman Recruit George E. Chambers, son of George Chambers, Route 1, Frankfort, graduated from recruit training at the Naval Training Center, San Diego, Calif.

At Providence

Enrollment on Increase

NEW LENOX — Providence High School has a 25 percent gain in enrollment, it was announced by the Rev. Roger L. Kaffer, principal, following the second registration examinations.

A total of 192 freshmen are enrolled for the fall classes, compared to the 151 in the present frosh group. Providence will be losing 172 through graduation so the pick-up in enrollment is appreciated.

"This registration of so many eighth graders at Providence is an encouraging vote of confidence by the parents," Father Kaffer said.

"This means a great deal to us, for Providence believes and operates on the belief that the God-given school is the

home and that parents are the God-given teachers. It is our privilege to work closely with the parents in the education of their children. It is now evident that the overall enrollment at Providence in the fall of 1972 will be 25 percent over that of 1971. We pledge our continued efforts to merit this trust in us."

Father Kaffer added that students still interested in enrolling at Providence may get in touch with the school for further information. He explained, however, that registration now is restricted to students from the Joliet diocese.

He explained that a meeting will be held this spring with parents to give them an opportunity to meet teachers and counselors,

discuss schedules and curriculum and get information regarding school rules and uniform requirements for girl students.

Nineteen new courses have been introduced during the current school year, Father Kaffer said, and four sports have been added to the physical education program: wrestling and tennis for boys, and tennis and track for girls. A new wrestling and gymnastics room has been added, including new showers and lockers.

There are six bus routes: Hampton Park-Joliet run; New Lenox-Lockport-Joliet run; Lemont-Lockport-Joliet run; Wilmington-Manhattan-New Lenox run; Midlothian-Oak Forest-Tinley Park-Mokena run, and the Crestwood-Oak Lawn-Chicago Ridge-Palos-Orland run.

Hillcrest to build sewers

MOKENA — Following a long discussion the Mokena village board and Hillcrest Builders have arrived at an agreement on development of the 50-acre tract at 195th Street and 115th Avenue.

Under the agreement the developers will run approximately 5,900 feet of sewer mains from the property to the disposal plant. The sewer is to run on Wolf Road to 191st Street, west on 191st to 114th Avenue, south on 114th to 193d Street, west on 193d to 116th Avenue and south on 116th to 195th Street, the work subject to approval by the village engineer.

George Barber, village engineer, estimated the sewer cost would be about \$100,000. While the installation of the sewer is

up to the developers the village has agreed to reimburse them to the extent of \$30,000, to come from tap-on fees.

There are five parcels of land in the tract, each about 10 acres, according to the developers. The men in Hillcrest Builders are Val Holt, Michael Howard and Dan Eftimoff.

The village allowed R-4 classification for 10 acres to be devoted to apartment complexes which, it was said, will give the developers an opportunity to make up some of the expense of laying the sewer mains.

The developers said they plan 97 single-family homes and 244 quadraminiums. The developers agreed to contribute cash to

Lincoln-Way High School and Mokena Grade School districts. The high school district is to get \$64 per building permit issued for a three-bedroom single family residence; \$15.60 per two-bedroom quadraminim and \$50 for a three-bedroom quadraminim. The grade school gets \$148.50 for every three-bedroom single family dwelling permit issued; \$66 for a two-bedroom quadraminim and \$130.90 for a three-bedroom quadraminim. A quadraminim is a building with four condominium living units.

All perimeter roads are to be surfaced according to village standards for minor streets. The builders are to use service roads during the construction period that are to be restored to their former condition.

No date has been set for beginning the subdivision but with the weatherman playing ball the way he has, it was pointed out, it would be difficult to say when work will begin. The developers will begin their program with five "quads" and five single-family dwellings.

Three seeking seats on library board

MOKENA — Electors of Mokena Community Public Library District are to elect three trustees next Tuesday, April 11, two of them for six-year terms and one to an unexpired term that has four years to run.

The library, at Cross and Union streets, will be the polling place. The polls will be open from noon to 6:30 p.m.

Four candidates are running for the two six-year terms, Edward Fremel Jr., an incumbent; Shiela Wellman Shunko, Nancy George and James Burroughs.

Two candidates are running for the unexpired term of four years, Ralph C. Wiley and Barbara Cottingham, incumbent.

A brief sketch of each of the candidates: Edward Fremel Jr. has been serving as a board member for the past four months, having been appointed to fill a vacancy. He is sales representative of the Berkey Photo Service, Chicago, and lives on Denny Street with his wife, Nelvie.

Mokena lets treatment plant completion contract

MOKENA — The Mokena village board has let contracts for equipment necessary to complete the enlargement of the sewage treatment plant.

Last November the board rejected bids on this same type of equipment on the grounds that the prices were too high. At that time the total price was \$28,550. The price at which the contracts have been let is \$12,740.

These purchases include flow measuring equipment from BIF, Providence, R.I., for \$2,320, which includes \$30 for inclusion of a heater. There were four bids in all, the highest running \$2,966.

Also, a mechanical aerator, from Aqua-Aerobic Systems, Inc., Chicago, whose bid of \$8,693 was lowest of two sub-

mitted. The other was for \$11,638.

Also, corrugated metal pipe materials, from the Oak Forest Material and Supply Co., whose bid was \$1,727. There was one other bid, \$2,017.25.

The board accepted the bid of the Video Pipe Grouting Co. for \$3,477 to inspect the interior of the sanitary sewer line from Third Street north by television. Trustee Chester Ebert, head of the Sewer and Water Committee, reported that two village workers and a man from Mulford Engineering have inspected the area along Bryant Street where residents have complained about water standing on and along the street. The board voted to have George Barber, village engineer, study the problem and make the recommendations as to what can be done to correct the situation.

Max Anderson, of a planning consultant firm bearing his name, appeared before the board to make a sales talk to produce a new comprehensive plan for Mokena for some \$4,000. The board will discuss the proposal further, it was said. Mokena and Frankfort had a comprehensive plan made for both communities and the area some years ago that is still in use.

Student director sought

MOKENA — The Mokena Youth Commission, which has its headquarters in the Zodiac Club on the first floor of the library building, Cross and Union streets, is working on a plan to use a student from Mokena Junior College as a youth director for the village.

This was reported to the village board by Trustees Anthony Dina and Lloyd Leyerle who met with the Youth Commission.

According to this report it would be a job training program for the student. He would be working with youngsters from kindergarten through teenage and would work 15 hours a week for 18 weeks. His pay would be about \$50 a week.

The Youth Commission has discussed this with the Mokena Park District board

members. A representative from Mokena College is slated to be at the April meeting to discuss the proposal with the park commissioners.

Mayor Tuttle reported that a representative of the Christian Youth Center of Joliet is willing to send out a representative to show the Mokena Youth Commission the way to operate its organization.

Trustee Dina reported that an air conditioner has been donated to the Zodiac Club and the village will have to check the wiring to determine if it will accommodate this facility or have to be changed.

Dina also reported that 177 attended the last Youth Center dance and there were two chaperones.

Police to be reimbursed

MOKENA — Six members of the Mokena police department attending law enforcement classes at Joliet Junior College are to be reimbursed for their tuition and books, it has been decided by the village board. The total cost for that is \$180.

It also was decided to reimburse them for their travel to and from the college.

The mileage rate has not been determined yet.

Officers attending college classes are Chief Harold Fitch, John Coffee, William Jepsen, James Rigor, James Baker and Robert Melendez. Trustee Anthony Dina, police commissioner, told fellow board members that provision should be made in the new budget for a new full-time police officer, that one is needed now.

What's Ahead

THURSDAY, APRIL 6

GREEN GARDEN — St. John's United Church of Christ of North Peotone meets at 1:30 p.m. at the church.

NEW LENOX — Trustees of the United Methodist Church meets at the church.

Up the hill and down the lane in..

Arbury Hills

BY MARIE HOVI
(312) 479-5740

ARBURY HILLS — The Lunkers Unlimited Bass Masters are sponsoring a Boys Basketball Tournament in the Arbury Hills Gym on April 7, 8 and 9. There will be three trophies given out to the three top teams which will be coming from Homewood-Flossmoor, Joliet, Oak Park, Park Forest and Harvey.

On April 7 the games will begin at 7:30 p.m. On April 8 the games will begin at noon, and on April 9 the games will begin at 1 p.m. Admission will be 50 cents donation for adults and 25 cents for children. The net proceeds from this tournament will be given to the Arbury Hills School for its athletic equipment fund.

The Arbury Hills Lions Club held its annual Easter Egg Hunt for the children of the area on Palm Sunday. Despite the frigid weather, there was a surprisingly large turn-out.

It was father-daughter night at the last meeting of the Lions Club. Entertainment was supplied by a group of girls and boys from Joliet.

The Summit Hill Cub Scout Pack 10 held its March pack meeting at the school, and the one boy receiving an award was Neal Milner who was given his Arrow of Light, the highest award in Cub Scouting, as he went out of Cub Scouts.

The pack meeting for April will be held at the school on Monday, April 24, beginning at 7:30 p.m.

The First Nighters will have their April meeting at the home of Mrs. Carol Wylie tomorrow evening (April 6) beginning at 8 o'clock.

Judy and Lou Tosi of 19515 Crabtree Lane made it number three with the birth of Michelle Lynn Tosi at St. James Hospital in Chicago Heights on March 27.

Michelle will be well protected with her two older brothers Gary, who is 9, and Kevin, who is 7½. Grandma Tosi played Good Samaritan by staying with the older contingent of the Tosi brood while mom was in the hospital.

St. Mary sixth grade class presented a modernized version of the Passion Play at the "Cow Palace" last week. Two surprisingly good performances were given for the students and guests. A well earned round of applause was given to the youngsters and Mr. Leo, the teacher and writer-director who had brought biblical speech into modern speech with taste.

The Summit Hill Boy Scout Troop 10 will not have a meeting this week, since the school will not be open. The next meeting of the group will be held at the school next Thursday evening, April 13.

The Burros Football League is sponsoring a fund raising dance at the "Cow Palace" on 115th Avenue and 195th Street in Mokena on Saturday evening, April 22. It will be a champagne dance with the bubbly being included in the cost of the tickets, \$2.50 per person.

The Holy Name Society of St. Mary is sponsoring a dance also at the "Cow Palace" on Saturday, April 15. The dance is open to the public.

The athletic banquet sponsored by St. Mary Booster Club is being held at the VFW Hall in Mokena on Wolf Road on Wednesday, April 26, beginning at 6:30.

Following the dinner there will be the presentation of athletic awards earned by the boys and girls this school year.

Frankfort

By K. M. Heisner
815-469-5187

FRANKFORT — The Frankfort Community Grade School PTA meeting is at 7:30 p.m. Wednesday, April 12, at the

Frankfort School. Mrs. Jay Massey, the president, will preside at the business meeting. The program will be on the Science Fair which was held recently. Refreshment chairman are Mrs. David Friant, Mrs. Cletus Knoll and Mrs. Donald Witt.

The Frankfort Grade School Band Boosters will serve a hot dog lunch at both schools on Wednesday, April 12. After the lunch the members will assemble at the home of Mrs. Louis Roy for the meeting, with Mrs. Howard Peterson in charge.

The Womens Fellowship Council and the board of St. Peter's United Church of Christ are having their meeting at 7:30 p.m., Thursday, April 6 at the church.

The Mens Fellowship of St. Peter's will meet at 7:30 p.m. Tuesday, April 11.

The Church Council of St. Peter's meet at 7:30 p.m. Wednesday, April 12, at the church.

Gary Hecht, son of Mr. and Mrs. Dan Hecht returned home after undergoing major surgery recently in Chicago.

Lynne Vanderwall, daughter of Mr. and Mrs. Herman Vanderwall, 310 Colorado Ave., Frankfort, is participating in the student teaching program at North Central College this term. She is teaching mathematics at Naperville High School as a part of her requirements for state teacher certification. A 1968 graduate of Lincoln-Way High School, Lynne is a senior at the private, liberal arts college.

Green Gardens

By K. M. Heisner
815-469-5187

GREEN GARDEN — The Green Garden Homemakers Extension Unit members will meet at the home of Mrs. Siegfried Beckman at 1 p.m. Friday, April 14, Mrs. J.B. Fuller, chairman will conduct the business meeting. Roll call is, "The garment I have made or remodeled." The home adviser, Mrs. Patricia Rotz will discuss, "Building Self Confidence in Children."

The Green Garden Always Faithful Group is having its semi-annual rummage sale at the church from 9 a.m. to 5 p.m. Friday, April 28. This is a sale open to the public and is held in the Green Garden United Methodist Church basement, located about seven miles south of Frankfort on Route 45.

The Womens Society of Christian Service of the Green Garden United Methodist Church will meet at 1 p.m. Wednesday, April 12. Hostesses are Mrs. Richard Borms, Sylvia Bettenhausen and Mrs. M. Moran. Mrs. Stewart Vanderbilt is in charge of the business meeting. Program topic is, "Living Through Changes and Beyond Fears." Chairman are Mrs. David Dralle, Mrs. Elmer Bettenhausen and Miss Emma Andres.

Lincoln Estates

By Frieda Wille
815-469-5277

LINCOLN ESTATES — Mrs. John Mulder was the guest of honor at a baby shower on Saturday evening, March 18. The shower was given by Mrs. Joe Machtemes and Mrs. Dave Tyler. It was held in the Tyler home at Mokena. There were 25 guests from Chicago, Frankfort, Springfield, Homewood, Lincoln Estates, Lockport, Mokena and Worth. She received many lovely gifts. Mrs. Mulder is the former Susan ZumMallen.

Miss Brenda Counts, Midlothian, was the guest of honor at a surprise bridal shower on Saturday evening. Hostesses were Mrs. John Mulder, Tinley Park, and

Mrs. Daniel Grant, Worth. The shower was held in the Grant home. Guests were from Frankfort, Hazel Crest, Homewood, Lincoln Estates, Midlothian, Mokena and Springfield. Decorations were in the bride's colors of peach and white. Refreshments were served from a table covered with a peach and white cloth. The center piece was a cake with a miniature bride. Games were played and Miss Counts received many lovely gifts. Miss Counts will become the bride of Mike ZumMallen in April.

Mr. and Mrs. Al ZumMallen were hosts at a dinner at Savoias on Palm Sunday. The dinner was in honor of their daughter, Mary who was confirmed at St. Johns Lutheran Church, Homewood. There were forty guests from Frankfort, Homewood, Lincoln Estates, Mokena, Springfield and Worth. Some of the guests returned to the ZumMallen home after dinner.

Emereth Boyden returned home from Elwood, Ind. after attending the funeral of a life long friend, Dr. Ralph Plouge.

The next regular meeting of the Ann Rutledge Parent Teacher Organization will be held on Monday evening, April 10 at 8 p.m. The nominating committee will present the slate of officers for the coming year. Those on the nominating committee are Mrs. Carroll, Mrs. Jack Newton, Mrs. Al Castens and Mrs. Phil Steck. The "Down Memory Lane" program which was to have been presented at the March meeting will be held at this time. It is hoped that everyone can come out and reminisce. The Girl Scout troop 378 will entertain.

Jenny Stipan, 6 year old daughter of Mr. and Mrs. Hugh Stipan is a patient at Michael Reese hospital, Chicago where she is undergoing medical treatment.

The Summit Hills school district 161 will hold their annual board of education election on Saturday, April 8. The polls will be open from 12 to 7 p.m. There will be polls at both schools. The next board of education meeting will be held on Wednesday, April 12 at 7:30 p.m. at the Arbury Hills school. This will be the organizational meeting. The next early dismissal date will be on April 17 with school being dismissed at 2:45. The next parent workshop will be held on Monday evening, April 17.

As of April 1 there has been an agreement with the Suburban Canine Control to pick up stray dogs or cats. If you are annoyed by stray animals you can call the dog warden between the hours 9 a.m. to 5 p.m., Monday through Saturday at 312-349-7722. If your dog is picked up you can get it back by paying a recovery charge and you may also have to pay a fine. This also applies to cats. If your dog accidentally gets loose, it may be picked up so you may be able to get it by calling this number also.

Marley

By Virginia Saxe
815/485-6424

MARLEY — Mr. and Mrs. Edward Sproat entertained at a dinner in their home on Easter Sunday. Guests were Mr. and Mrs. Russel Lauffer and son David, Mrs. E.D. Gillette, Mrs. Charles W. Lauffer, Miss Bessie Sproat, Glenn Sproat and Harry Sproat.

Mr. and Mrs. Loren Sass and daughter Verda spent Easter weekend at St. Paul, Minn. where they were guests in the home of Mr. and Mrs. LaVerne Harzmann and daughter Karla.

Mrs. Kenneth Nutter has returned home after spending several days with her sisters, Mrs. Iva Anderson, and Mrs. Mary Anderson, Paducah, Ky.

Mr. and Mrs. Morris Ely, Allegan, Mich., were guests on Palm Sunday weekend in the home of Mr. and Mrs. Daniel Sass.

Mr. and Mrs. William Pool and daughter

Kathy and Mary Beth were Palm Sunday weekend guests in the home of Mr. and Mrs. Harwood Stellwagen.

Mark Nutter is a guest this week in the home of Miss Denise Hanson, Rochester, Minn.

Miss Janet Crabb and Gene Binion are spending this week on a ski trip sponsored by Lincoln-Way Community High School at Winter Park, Colo.

David Tilsy has returned home after spending a week in the home of Mr. and Mrs. Tom Tilsy at Stewart Air Force Base near West Point, N.Y.

Miss Mary Jane Stellwagen resumed her studies at Illinois State University on April 3, after spending the Easter vacation week in the home of her parents, Mr. and Mrs. Harwood Stellwagen.

Guests on Easter Sunday in the home of Mr. and Mrs. Herb Crabb were Mrs. Herb Crabb, Sr., Hinsdale, Mr. and Mrs. Robert Ukso and daughters, Park Forest, and David Crabb, Chicago.

Mokena

By Jean Bradley
312-479-9321

MOKENA — Spring conferences in the Mokena Public Schools will be held on Friday, April 14, this year. Children will not attend classes on that day, so conferences will be scheduled from 8:30 a.m. to 4 p.m. Teachers will be contacting parents of all children in grades K-5 to arrange an appointment time. Report cards will be given to parents at the time of their conferences.

Parents of children in Mrs. Windle's morning kindergarten class will be invited to conferences on Thursday, March 30. The children will attend class, as usual, on that date.

Mokena students in grades 6-8, will receive their progress reports on Thursday, April 13. Teachers will be available from 8:30 a.m. to 12 noon and from 1 to 4 p.m. Friday, April 14, for conferences. To arrange for a junior high conference on that date, parents are asked to phone Willowcrest School (479-2101) for an appointment with any specific teacher.

The Naomi Circle of the Mokena United Methodist Church meets at 8 p.m. Tuesday, April 11 at the home of Mrs. Elaine Kneynsburg, 18751 Rose Lane. Program leader for the evening is Mrs. Donna Collins.

The Mokena Band Boosters meet at 9:45 a.m. Wednesday, April 12 at Willowcrest School.

Randy T. Dixon, son of Mr. and Mrs. Frank O. Dixon, South Brightway Drive, presently stationed at March Air Force Base, Riverside, Calif., has been promoted to Sergeant. He will be home on leave in July and will leave in August for a year of duty in Thailand. He is married to the former Gayle Ann Geiser, New Lenox.

Orville Jackson, 15510 W. 194th Ave., received a 10 year jeweled service award from the Silbrico Corporation at an awards banquet held March 16 at the O'Hareport Hotel. The service award was presented to Orville by Carl Mendis, Jr., president of the corporation.

New Lenox

By Dolores Anderson
815-485-2365

The New Lenox Sportsmen's Club Auxiliary will hold its annual spring

A special gospel music concert is being planned by the adult Sunday school class of Mokena United Methodist Church with the Benton Trio performing. The group consists of Pastor Dean Benton of the Mokena church, his wife Carole (left) and Carole's sister, Joyce.

Gospel concert set at Mokena Methodist

The adult Sunday School class of the Mokena United Methodist Church is planning a special evening of music Sunday, April 16.

The Benton's, consist of Dean, pastor of the Mokena United Methodist Church, his wife Carole, Carole's sister, Joyce, and occasionally the Benton children, Debbie and Doug.

A fellowship time will follow the service.

banquet Wednesday, April 19, at the White Fence Farm at 7 p.m. sharp. Members are asked to remember to save for the white elephant sale on Memorial Day.

The Martha Circle of the United Methodist church will meet at the church on Wednesday, April 5 at 8 o'clock. Hostesses for the afternoon will be Mrs. Louise Rowe, and Mrs. Delia Brown. The program will be a mission study topic "New Machines For the New Humanity," by O.V. Rowe.

The new schedule for the monthly meetings of the Council on Ministries will be, the second Tuesday of the month at United Methodist Church. April 11 is the next meeting date.

A weekend retreat at the Wier Farm, Lacon, is being planned by the High School MYF of United Methodist Church for April 22-23. Reservations are being taken now for a swim party for high schoolers of the church for Saturday, April 29, at the Joliet Boys Club.

The Board of Trustees of United Methodist Church will meet on Thursday, April 6, at the church. The Trustees of the church have organized with the following officers: Chairman, Mrs. Lawrence Carlson; vice-chairman, Harry Geyer; treasurer, Bernard Stimmell; secretary, Lloyd Tomany. Other members of the board are Lawrence Floyd, John Francis, Richard Swanson, Troy Leyerle, and James Warning.

The Ruth Circle of the Methodist church will meet Tuesday, April 11 at 7:45 p.m. at the home of Mrs. Kay Pitcairn.

The Church of the Nazarene will hold a church board meeting on Tuesday night, April 4, at 7:15 at the church.

Boy Scout troop 6 will meet at the United Methodist church in Fellowship hall Thursday night, April 6, at 7:30 p.m.

Trinity Couples club will hold its meeting Sunday night, April 9, at the Lutheran church hall at 8 p.m.

The New Lenox Civil Defense unit meeting will be held Tuesday, April 11, at the village hall at 8 o'clock.

Mr. and Mrs. Earl Schroeder spent the Easter holidays in Little Rock, Ark., with relatives.

Ladies of the Church of the Nazarene will meet Tuesday, April 11, in the church hall at 7:30 p.m.

Mr. and Mrs. Dale L. Anderson and son David Lee entertained at a family Easter dinner in their home on Sunday.

Miss Dotte Jean Anderson returned to her home at Bloomington, Minn. on Monday after spending 10 days here with her parents, Mrs. and Mrs. Len Anderson and family.

Mr. and Mrs. Robert Manheim, Jr. and children Michelle and Mike moved Saturday to New Lenox, from their home at Zion. They are residing on Haven Avenue.

The Trinity Lutheran Church is sponsoring a card party at 1 p.m. Wednesday, April 12, in Rienke Hall. Salad and coffee will be served. Tickets available at the door.

Prestwick

By Michael J. Flynn
815-469-5617

Marcy Miller is reported to be living under a lucky star. Her car was badly damaged on March 25 as a result of a collision with another vehicle at Cicero Avenue and Sauk Trail. Neither Marcy or the other young lady was injured. The damage is reported to be over \$1,000.00.

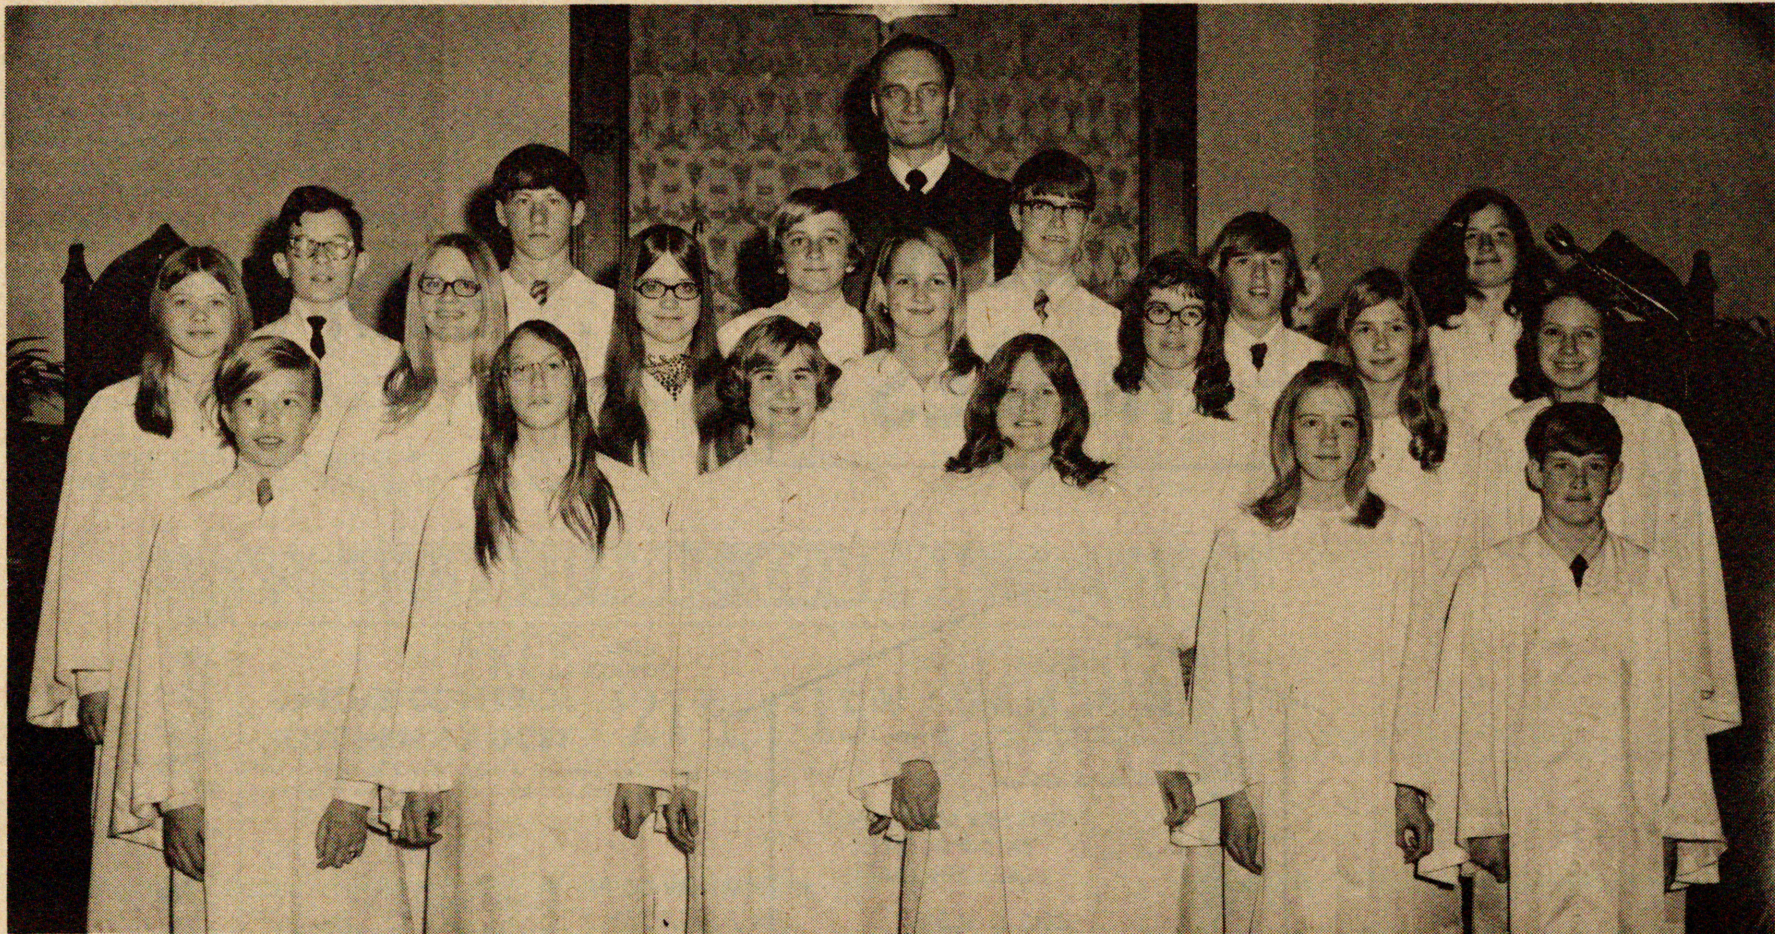

Welcome home to Lill Cunningham of Maple Court. She recently returned home from the hospital after undergoing major surgery. All is well and she will be her old self again.

We have a young man living on Prestwick Drive who is now among some very important company and has become a member of growing ski statistics. We are speaking of young Mark Krumdick, 14, son of Mr. and Mrs. Bob Krumdick. Mark joined Lucille Ball and many others recently by receiving a spiral break in one of his legs while skiing. He was visiting Ingrid Krumdick's brother Klaus in Arosa, Switzerland, when the accident occurred. He avoided breaking his leg until after the trip was nearly over. The last day, at the bottom of the hill, woops. He will be in bed for six to eight weeks. All of the young ladies in Prestwick are encouraged to visit him. How about that, two vacations.

Sorry for the lack of news in the last issue. I have not yet found an understudy, so, when I travel there is no news. We skipped off to California for a seminar in San Diego for college and university development officers and then went to Los Angeles and San Francisco for business. Hawaii was close enough to give us really inviting weather.

Welcome to our new neighbors Peter and Donna Oosterbaan on Pheasant Trail. Pete is an attorney with offices located in Homewood on 183rd Street and Governors Highway. He recently left the Chicken Unlimited Company where he had been their general counsel for a number of years. The Oosterbaans have four children: Melissa, 16, who attends Lincoln-Way High School; Drew, 12, who attends the Frankfort Elementary School; Jennifer, 5, and Max, 2. The Oosterbaans were lifelong residents of Roseland before joining our community. Pete, a graduate of DePaul University, is just starting out, again, in the general law practice. Good luck from all of us.

For those of you who are interested it appears as though no tax information on your real estate will be available until mid-May. The Will County township assessors are having quite a time with their re-assessments in this a quadrennial year. There probably will be an increase, according to reports, that can run from as low as 5 per cent to over 30 per cent. It seems that what is causing the problem is that for years they have been assessing homes at their original purchase price. Now, they are re-assessing them at present fair market value. Crete, Homer and Plainfield Townships were the first to get their news and it was not good.

Confirmation class members of St. John's United Church of Christ, Mokena include (top row) Dean Hunyadi, Randal Peterson, Mark Yunker, Rev. Laslo Hunyadi, Bruce Bettenhausen, Jeffrey Haas, Kerry Grady; (middle row) Sandra Buske, Cheryl Rust, Joy Fulton, Barbara Horras, Diana Hill, Sharon Teague, Patricia Townsend; (bottom row) Edward Stege, JoAnn Bisgrove, Wendy Guendling, Elizabeth Ernsting, Cheryl Richardson and Robert Ernsting.

Weather halts sports actions

SOUTHWEST — Inclement weather wiped out prep sports action last week including some team debuts.

Tinley Park's Titans were slated to play ball for the first time in 1972 Saturday in a doubleheader against Kenwood, but the games had to be cancelled. The Titans will try to get the season underway tomorrow April 5, at 4 p.m. at Lincoln-Way.

Coach Bill Farley's track squad is scheduled to go into action Thursday, April 6, hosting Homewood at 4 p.m.

The schools other two teams have week of grace in hopes that good weather will be prevailing by then. Golfers will start their season next Monday, April 10 in a tri-angular meet against Rich Central and Lincoln-Way at 4 p.m. at Silver Lake Country Club, Orland Park. The tennis team will open its season April 12 hosting Thornton Fractional South.

Lincoln-Way's baseball debut with Romeoville Saturday was cancelled the Knights were scheduled to make their debut yesterday against Lockport.

Lincoln-Way opens its track season tomorrow, Thursday, April 6 in a meet with Providence and Joliet Central. The

Knights golf team is slated to swing into action today hosting Providence at 1 p.m.

Action at Providence was a complete loss last week the track Celtics had meets with Joliet Central, and a triangular with Quigley South and Aurora Central cancelled, while the Celts entire baseball schedule including the annual Bishop McNamara tournament in Kankakee was cancelled.

Sandburg was scheduled to open its track season against Lockport last week, but the meet was cancelled.

Sports action was jumbled this week, and schedules were almost meaningless as area teams attempted to make up some of the cancellations from last week.

SW Co-op Olympics set May 20

TINLEY PARK — Budget and finance Chairman, Leslie Williams announces the sale of tickets for the 1972 Special Olympics began March 23rd. This years event will take place at Tinley Park High School, 6111 W. 175th Street, Tinley Park on Saturday, May 20th.

The \$1 ticket admits one adult. Children accompanying an adult will be admitted free. Children enrolled in the Southwest Cook County Cooperative Special Education classes will compete in track and field events and a full swimming program. There will be events especially for the physically handicapped and for the visually impaired.

Persons wishing to buy tickets can do so by calling the Special Education Co-operative offices at 532-5500. Tickets are also available from teachers in the special education program. Marty Fox, Tinley Park High School EMH teacher, Steve Harada, physical therapist, and Sharon Morse, teacher of the physically handicapped, Spaulding School are the general arrangements chairmen.

Miss Williams is accepting donations of appliances, hand work, food certificates, toys, and games.

TINLEY PARK — Area students are busy training for the Southwest Cook County Cooperative Association for Special Education Olympics to be held May 20th at Tinley Park High School, 6611 W. 175th St., Tinley Park.

EMH-TMH classroom teachers and teachers of the physically handicapped are coordinating preparation for the track and field events. Those boys and girls who participate in the Special Education P.T.A.'s weekly swim program are also training for the swim events.

The Olympics swim meet will take place on Tuesday, May 16th at the regularly scheduled PTA swim session at Tinley Park High School. Chairman for this event is Mary Kay Neikes, Learning Disabilities teacher, Chippewa School. She will be coordinating swim events along the same guidelines used by Miss Kay Schnegas, Moraine Valley College teacher, who has been working with the PTA throughout the year on the swim program.

Medals will be awarded to swimming events winners on Saturday, May 20th at Tinley Park High School.

Student may choose any one event to enter and may also enter as a relay team member. Swimming events will be:

1. shallow water races for TMH I and Physically Handicapped class for non swimmers and those very new to a water program.
2. free style shallow swim for beginning swimmers.
3. back crawl, breast stroke or free style for intermediate swimmers.
4. relays by school teams.

a foe from the Joliet Boys Club 4-3.

In a rematch at the state level Gerdes won 2-0. Its record was also 22-2.

Jeff Gerdes at 99 pounds placed first in the New Lenox Sectional and went on to place first in state. His victory placed Arbor Park in the lead with 24 team points. Jeff's win gave him a season record of 25-1.

Wayde Beechy at 99 pounds placed second in the New Lenox Sectional and seventh in the state with 16 wrestlers competing in this class. His season record was 20-2. Bob Carlson was coach of the team.

Mom muscle

Mother might was displayed during a mother-daughter volleyball action held recently at Fieldcrest School in Oak Forest. One of the mothers lets go with a mighty drive over the net.

THE BEST IN

Sports

Record net turnout marks coaches debut

ORLAND PARK — First year Carl Sandburg tennis coach Craig Foster, is very optimistic for this spring's Eagle squad. A physics instructor, Foster has brought out the largest tennis turnout in the school's history. Over 45 students are vying for the few starting roles on the varsity, sophomore and freshman teams.

Varsity returning letterman Paul Van-Henkulum, and a one-year exchange student Mario Molino, are both probables at the top two singles positions.

VanHenkulum took third place in last year's second singles conference competition and figures to rate high in this years conference battles.

Molino, a Bolivian student has worked himself to one of the top two positions. Coach Foster rates Molino's talent equal to VanHenkulum's. Probable third singles starter is Mike Hvidz.

Garrity team 3rd in state

TINLEY PARK — The Stanley R. Garrity, Order of DeMolay, basketball team recently won third place in the state basketball tournament held in Springfield. Seven teams competed in the state finals of the eighty-eight teams that entered tourney competition at the district level.

The Tinley Park team journeyed to the state finals by virtue of winning their district title with victories over Fidelity Chapter of Lansing and Woodlawn Chapter of Chicago. From there they advanced to the bi-district title by defeating Crusader Chapter of LaGrange.

At Springfield, the young-aggressive team downed last year's northern Illinois champion Skokie Valley. They advanced to the semi-finals against Freeport, but lost to the eventual state championship. The Tinley Park team then earned the third place position over last year's state champion from Collinsville.

The Garrity team shocked the state with its tremendous effort. Fielding the youngest and shortest team in the tournament, the Tinley squad showed great poise and a tenacious defense.

Duane Bettenhausen, Tinley's leading scorer this season, was selected on the All-State team at the tournament by virtue of his twenty points per game average. Other team members include: Russ Scanlon, Hugh Pettit, Tracy Pettit, Paul Gerth, Mike Reitz, David Ellis and Steve Young. The team is coached by DeMolay Advisor Ken Webster.

Bowling briefs

ORLAND PARK — Saturday "Sex Minus One" faces second place Formula Five in a battle for first place. Formula Five needs a sweep to catch the leading "Sex Minus One" squad.

Sex Minus One currently has a record 27-9, three games ahead of Formula Five and the Anythings who face last place team 5 in this week's action.

Here's the week's top bowlers and their high game: Rich Little 594-213, Rick Musil 278-208, Larry Themascus 576-247, Don Tanis 555-199, Mark Schultz 529-177, Brad Colby 527-253, Lester Janis 516-212, Jim McEathron 507-172, Fred Nichols 507-184, and Terry Sceer 500-179.

The Carl Sandburg Bowling League wasn't very exciting last week with the first two teams' positions staying the same and only two bowlers registering series in excess of 500 pins.

The first place Super pros won three games from the Rolling Pins to up their record to 27-6.

Second place Mess won two games from the Reefers bringing their record to 24-9.

Bengals set to 'play ball'

OAK FOREST — The Bengals of Oak Forest High School are slated to open their 1972 baseball season tomorrow, Wednesday, April 5, at Hillcrest High School at 4 p.m.

Coach Robert Miller will lead an all sophomore team into action against the Hillcrest varsity. Oak Forest is in only its second year of operation and has no grade higher than sophomores.

Last year Miller coached his freshmen to an 8-5 mark playing and an independent schedule.

Miller will have two experienced pitchers ready for work with Nick Renna, and Chuck Pease on hand. Renna who will start in the outfield when he isn't on the mound turned in a 4-2 last season.

Pease who was 2-2 last season, will probably play short when he isn't pitching. Dave Kohaus, is also an experienced moundman.

Dan O'Connell, who gained most of his experience in the outfield last season is ready for pitching action, and Chris Conrad is the teams top relief man.

Kevin Newquist a regular behind the plate last year is back with Mark Rapinchuk, who didn't play in 1971 in relief.

Dave Pagel the team's leading hitter is at first with Mark Cameron, another new man in reserve. Letterman Joe Krause is at second backed by Tom Donohue.

Mike Wonderlick, who was hampered by a knee injury last season will work at shortstop when Pease is on the mound.

Bill Winlock, who played third last season is back at that position, backed by Bob Kubat, who can play either infield or outfield.

Renna and O'Connell, along with Doug Oloman, give the Bengals a veteran outfield.

Jeff Lavery, Gary Stampanato, and Ron O'Shea are utility men who will be ready to play most any position when they are needed.

Arbury Hills cage tournament is set

ARBURY HILLS — A basketball tournament is to be held at the Arbury Hills School gymnasium April 7-8-9, with proceeds going to the grade school athletic fund and Lunkers Unlimited, a fishing club made up of Arbury Hills residents.

The tourney will start at 7:30 p.m. Friday, April 7. The play on Saturday, April 8 will begin at noon and the consolation game is slated to start at 1:30 p.m. Sunday afternoon with the championship game at 3:00 p.m.

Admission will be 50 cents for adults and 25 cents for youngsters under 12.

No high schools teams will participate as a team, but the players range in age from 16 - 19. Included in the participants are teams from Oak Park, Park Forest, Homewood, Harvey, Midlothian and two teams from Joliet.

Eagles aiming at 1st division

ORLAND PARK — Gene Kowert opens his fourth year as Carl Sandburg track coach.

Kowert is optimistic for a first division finish in the Southwest Suburban Conference despite the number of strong squads in the conference.

Last year the Eagles just missed an upper division finish with a fifth in the final standings.

Kowert expressed surprise and satisfaction with this year's turnout, which nearly doubled those of the past two years. His explanation for the turnout included "It indicates the track program is growing at Sandburg, possibly because two of our runners earned recognition in the state tournament last year." The two were John Steinborn in the 220-yard dash and Dave Gavin in the two mile run.

Through this year's overall squad isn't strong enough to match the might of Lincoln-way or Oak Lawn, the Eagle distance runners will do well.

Gavin and Jeff Crowhurst, both seniors are described by Coach Kowert as probably the premier distance runners in the conference. Backing them up will be seniors Mike Garrisson, Dave Zerbian, and Mike Lyons.

Some possible contenders for first place honors in Eagle uniforms this season are: Vern Piper and Ernie Starcevic in the hurdles, Junior Mike McNicholas in the sprints, Bill Krivanic in the 880, Tom Budninski in the long jump, Steve O'Connor in the high jump, Junior Bruce Watt in the pole vault, and John Dudek in the shot and discus events.

OYA cagers third

ORLAND PARK — Orland Park's OYA seventh graders took a third place in the Leo High School tournament for seventh graders. The Orland Parkers lost a heartbreaker to Resurrection 45-44. The biggest lead of the game was five points and that was held by Orland.

Orland had two of their big men foul out with five minutes to go and couldn't hold their lead. In the consolation game Orland came back with a brilliant effort to dump Infant Jesus 48-30. Orland's small fry team is still playing in the international tournament in Racine.

Arbor Park wrestling team ends in tie state honors

OAK FOREST — The Arbor Park Middle School wrestling team tied with New Lenox for state honors. Each team had 24 points, second place was held by Huntly School with 23 points. The state finals held on March at Maine North High School in DesPlaines concluded a two week wrestling tournament.

Arbor Park was represented by four wrestlers. Gary Gerdes at 60 pounds placed first in the New Lenox Sectional and third in state. This gave Gary a record of 22-2.

Tom Gerdes at 65 pounds placed second in the New Lenox Sectional losing to

Almost every day I hear that I can borrow from \$50 to \$5000 for almost any reason—a new car, a used car, even for repairs on the car I'm driving. To pay off a lot of old bills, get myself a camera or send my kid to college. To buy a boat, a new wardrobe, new furniture, appliances, or to pay my taxes. I also understand that if I call personally, I can probably have my money the same day. Alright Personal Finance, I'm ready! Give me plenty of that fast, helpful, personal loan service you're so famous for. (Sorry, I didn't have the time to call so I'm sending you my filled out coupon—please rush the money!)

I could use some money.

NOTICE OF PUBLIC HEARING FOR THE FORMATION OF A PUBLIC LIBRARY DISTRICT

NOTICE IS HEREBY GIVEN that on Wednesday, the 26th day of April, 1972, at 10:00 o'clock A.M. a hearing will be held before the Honorable Harry G. Comerford, Judge of the Circuit Court of Cook County, Illinois, in Room 1703 of the Chicago Civic Center, Clark and Randolph Streets, Chicago, Illinois, or before such other judge as may be sitting in his stead, to consider a Petition for the formation of a new public library district.

The boundaries of the proposed public library district are as follows: All of Sections 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12; Section 13 except for the East half (E 1/2) of the following described property: The Southeast quarter (SE 1/4) of the Southwest quarter (SW 1/4) of Section 13 (except the East 957 ft. thereof); all of Sections 14, 15, 16, 17, 18, 19, 20, 21 and 22; the West half (W 1/2) of Section 23; the North west quarter (NW 1/4) of Section 26; the North half (N 1/2) of Section 27 and the West half (W 1/2) of the Northeast quarter (NE 1/4) of the Southeast quarter (SE 1/4) of Section 27; all of Sections 28, 29, 30, 31, 32 and 33, all in Township 36 North, Range 12, East of the Third Principal Meridian, in Cook County, Illinois.

-ALSO-

The South 20 acres of the West half (W 1/2) of the Northwest quarter (NW 1/4) and the West half (W 1/2) of the Southwest quarter (SW 1/4) of Section 18 (except that part lying within 159th Street); the West half (W 1/2) of the North 10 acres of that part of the West half (W 1/2) of the Northwest quarter (NW 1/4) of Section 18 lying South of the North 26-2/3 rods of the West half (W 1/2) of said Northwest quarter (NW 1/4) of Section 18, all in Township 36 North, Range 13, East of the Third Principal Meridian, in Cook County, Illinois.

-ALSO-

That part of Section 19 lying Southwesterly of the Center line of Ford Road; the West half (W 1/2) of the Southwest quarter (SW 1/4) and the Southeast quarter (SE 1/4) of the Southwest quarter (SW 1/4) of Section 27; the South half (S 1/2) of Section 28; the South half (S 1/2) of Section 29; Section 30 except that part lying Northeastly of the Center line of Ford Road; all of Sections 31, 32, 33 and 34; Section 35 except that part North of the South line of West 127th Street; the South half (S 1/2) of Section 36 except that part North of the South line of 131st Street; the Northwest quarter (NW 1/4) of the Northwest quarter (NW 1/4) (except the South 175 ft. thereof) of Section 36 and the West half (W 1/2) of the Southwest quarter (SW 1/4) of the Northwest quarter (NW 1/4) (except the South 185 ft. of the East 220.59 feet thereof) of Section 36, all in Township 37 North, Range 12, East of the Third Principal Meridian, in Cook County, Illinois.

Said Petition to form the public library district is on file in the office of the Clerk of the Circuit Court of Cook County, Illinois, in the Chicago Civic Center aforesaid, case No. 72 Co 0408.

At the hearing, the Petitioners shall present proof of the Notice of the hearing and the Petition to the Judge assigned. All persons residing within the proposed District shall have a reasonable opportunity to be heard touching upon the location and the boundaries of the proposed district and to make suggestions regarding the same.

Published on behalf of the Petitioners to form a public library district by Leonard S. Pittner and Betty Stelter, two of the Petitioners, this 31st day of March, 1972.

TINLEY PARK — Central Junior High School's wrestling team finished the season's competition recently with participation in the SWIC conference tournament held at Orland Park Junior High School.

The group, headed by Coach Terry Miller, has had a successful initial season. "Coach Miller has done an outstanding job in organizing the wrestling team at Central," reports Principal Charles Barth.

Key members of the team were Bill Thomas, Ed Weber, Ed Howlett, Mike Denninger, Russ Ippolito, Mark Cotter, Don Westerhausen, Tony Ippolito, Bill Wilms and Phil Fogarty.

MOKENA — St. Mary Wrestling Team was entered in the final Grade School Tournament last week, when the Joliet Boys Club sponsored a tournament held at Joliet Central High School.

St. Mary placed four boys all in the four lowest weights. The mighty mites were: Dale Slusarski at 50 lbs. with a first place; Don Schofield at 55 lbs. with a fourth place; David Hovi at 60 lbs. with a third place; and Pat Geary at 65 lbs. with a second place.

LEGAL NOTICE

INVITATION FOR BIDS

Sealed bids are requested by TINLEY PARK MENTAL HEALTH CENTER for the following:

Providing new door opening for Laundry Building No. 25, entails cutting into West Wall of building to allow the entrance of Institution Service Trucks, said opening to be serviced by the installation of a Wood Overhead Door, power operated. Proposal must be on complete labor and material, including removal of any debris from Institution grounds caused by said installation. Successful bidder must furnish certificate of insurance which includes automobile coverage.

Bids will be received at the office of VIVIAN SINTIC, Business Manager of TINLEY PARK MENTAL HEALTH CENTER at 7400 W. 183rd Street, Tinley Park, Illinois, until 2:30 P.M. Central Standard Time, the 24th day of April, 1972 publicly opened and read aloud.

Complete information including specifications and bidding forms may be obtained at the office of VIVIAN SINTIC, Business manager of TINLEY PARK MENTAL HEALTH CENTER.

The owner reserves the right to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the Owner.

ORLAND PARK — Carl Sandburg's Swimming Eagles established five school varsity records in the recently completed season. Two of the marks were set by freshmen. Frosh Dave Prosen swam a 2:08.9 in the individual medley event.

Al Gillberg Jr., posted a 4:02.3 in the 400-yard freestyle. The other three records were posted by seniors, star Andy Merz swam the 200-yard freestyle in 1:51.4 and George Merijohn splashed to a 50.5 timing in the 100-yard freestyle. The relay team of Merijohn, Merz, Gillberg, and Steve Schoeder posted a 3:38.1 in the 400-yard relay. The Eagles were conference champs and had one of their best seasons ever under veteran coach Al Gillberg.

ORLAND PARK — Orland Park's 12 year-old "Small Frys" basketball team has qualified for the International Small Fry Tournament for the third year in a row.

This year's tourney is being held in Racine, Wis. on April 1-4.

Last year the tourney was held in Puerto Rico where Orland Park took a second place consolation prize.

In 1970, the Orland Park team took a second place to New York City. The Orland small frys earned the right to go to Racine by beating Hammond 51-48, crushing Chicago Heights 59-43, and fighting Racine, Wisconsin 60-57. Both Racine and Orland will play because the top two teams qualify for the tourney.

Orland Park's seventh grade team, made up of various seventh graders from St. Mikes, Orland, and surrounding schools, is also doing very well in the 48 team Leo high school tourney.

ORLAND PARK — Carl Sandburg's all-conference, all-area tackle Bill Edwards has chosen the University of Iowa to further his education. Edwards, a two-year standout on the varsity football team, will receive a full athletic scholarship to attend Iowa.

Edwards received many offers but chose Iowa because he wanted to go to a school where he could help them become a winner.

In his junior year Edwards was named second team all-conference on the 8-0 Southwest Conference champions. As a senior Edwards set the all-time Sandburg record for touchdowns scored by a lineman when he picked up a Proviso West fumble and rambled 29 yards for the score.

Edwards scored two touchdowns as a junior. Veteran Coach Joe Devine compares Edwards to the best lineman he's ever had.

Edwards main assets are his 4.7 speed and 210 pound frame. Bill is also president of the pep club, a pitcher for the varsity baseball team, and carries close to a B average in school.

Sandburg golfers tee off

ORLAND PARK — Carl Sandburg's varsity golf coach, Darwin Haywood is very optimistic about the upcoming season. "This will be one of the best teams I've ever had, their attitude and desire to excel will make them winners," said Haywood.

The Eagle linksmen are coming off a fine year posting a 14-3 overall record and a 6-1 mark in conference last season.

Haywood thinks the strongest competition will once again come from Homewood-Flossmoor, a perennial power.

Ray Kubis and Tom Frangella are the two leaders and usually capture medalist honors.

"I'm looking for Frangella to improve even more and also Greg Green, Dave Demetral, and John McIntosh could be taking the medalist honors away from Kubis," Haywood said.

Everyone but two of last year's team is returning this year. Haywood pointed out team depth as the reason for such optimism.

Juniors to watch are Wally Akenson, and Ken Silvestri. Haywood said that even though his juniors are very good it will be hard to break the lineup.

The golfers will open April 4 at a triangular meet with La Grange and Proviso West at La Grange. Sandburg won this triangular last year and should be a good testing ground this year.

Providence linkmen ready

NEW LENOX — When Providence High Schools golf team teed off its 1972 season Monday coach Tim Gawla was making his coaching debut on the varsity golf level.

The Celtics were scheduled to open against Aurora Central, and today, Wednesday, April 5, at Lincoln-Way.

Gawla will have three regulars back from a team that had a 13-5 record in 1971. The veterans are: Tom O'Hate, George Peterson, and Bob Dalto. Junior Rick Dobczyk and senior Paul Behrman, who is out for the sport for the first time this year, figure to round out the first five.

Oakview mat record was best in the state

NEW LENOX — New Lenox grade school wrestlers had the most successful season of any group in the state, according to Terry Weber, wrestling coach at Oakview Junior High here.

Oakview won the state championship for two years in a row. More than 15,000 boys representing some 120 schools competed for this coveted honor.

Besides the state title the New Lenox team has won or placed high in numerous invitational meets this year. It won six tournaments, placed second in two and fourth in another. The fourth place came in the Joliet Boys Club tourney. Oakview finished second in the Rock Falls invitational and the state sectional held on the home mats. Oakview was first in the Joliet Park District tourney; the Eagle Invitational at DesPlaines; the Lincoln-Way area tournament; the Rockford Invitational, West Chicago Quadrangular and the New Lenox quadrangular.

Oakview also won four of six dual meets, one at Apollo Junior High of DesPlaines, one at St. Mary of Mokena, one with West View at Romeoville and one with Lincoln Junior High at Naperville.

New Lenox had 11 boys in the state finals: Chip Connor, John Jackson, Mark Criscione, Dave Jeffrey, Marck Jackson, Craig Huttenhoff, Dan Manns, Mike Mager, Bull Tyner, Jim Steen and Joe Forrest.

Other outstanding wrestlers for New Lenox, Weber said, included Jim Wilmsen, Larry Wilmoth, Jack Thatcher, Bruce Swanson, Rick Spring, Al Skiniotes, Bill Shroba, Randy Silger, Tom Norberg, Lee Krohn, Bill Jeffrey, Steve Hunt, Rodney Beird, David Baers and Kirk Weidman.

Sandburg Cager among leagues best

ORLAND PARK — Carl Sandburg's Art Crummie received honorable mention on the 1971-72 Southwest Suburban all-conference basketball team.

Crummie was the leading scorer and rebounder for the Eagles. Crummie, a two year starter, scored over 400 points and pulled down over 200 rebounds, leading the Eagles in nearly every department.

Vo-ed to be District 230 project

ORLAND PARK — The Consolidated high school District 230 Board of Education voted Monday, March 13, to establish their own Vo-Ed Program within the confines of their district. The Vo-Ed evaluation report was submitted to the board for study along with a prepared re-organization chart drawn up by Richard Ebert at Carl Sandburg High School.

In previous meetings, the board was presented with three possibilities regarding the Vo-Ed program: (1) dropping the entire Vo-Ed program; (2) joining a co-op with other local high schools; and (3) the possibility of developing "our own" Vo-Ed program.

In action, Monday night the board voted

unanimously to develop and extend the district's vo-ed program within the confines of the school district, taking into consideration the projected enrollment for the year 1980 at 10,000 students.

In other action, the board decided to adopt negotiator Richard Laner's letter regarding the request from the teachers association for retroactive pay during the freeze period as their official policy. Laner's statement held that under present wage and price guidelines, he sees no way for the district to pay the retroactive pay, but that the matter is still under study.

The board also recommended that Laner's negotiator role be extended to allow him to conduct custodial negotiations.

The board also approved the Cafeteria Memorandum of Understanding. They also approved an increase in medical insurance as provided for in the negotiated settlement.

Because of the possibility of the increase of pool usage next fall when girls will be allowed to participate in competitive swim meets, priorities for pool use were set as follows: (1) daily school swim programs; (2) post school and evening activities associated with school; (3) learn to swim classes; (4) group rental; and (5) recreational swimming.

In other action, the board voted to support a court suit brought by Highland Park School District 113 and David Roths-

child, in their attempt to gain parity for dual districts.

A policy of early graduation was adopted allowing students who have attended high school for three years to graduate providing that the requirements for graduation as established by the board of education have been achieved; written parental consent has been granted; and that the student has made the proper applications, notifications, and counseling through the Guidance Department.

A report on the Annual Salary review submitted by Northwestern University of both teachers and superintendents indicates that the salary schedule for teachers of District 230 fall exactly on the median for both the Bachelor's degree and the Master's degrees, and that the salary of the superintendent also falls exactly on the median.

The board was notified that the Roberts Road, 111th street intersection should be completed during the summer with the work scheduled to begin in three weeks, weather permitting.

They were also informed that bidding for sewer and water was set at May 8 for water, and the latest for bidding the 27" sewers would be May 22, with a tentative completion date in September.

Here's art with a rhythmic beat

John Mosiman, performing artist, will appear at 8:30 P.M. on April 11 at St. Michael Auditorium, Orland Park. The Program is sponsored by the Council of Catholic Women.

Mr. Mosiman has developed a fascinating new form of cultural entertainment called "Musical Paintings." He creates large paintings while drawing in rhythm with music. In his performance he is ac-

companied by synchronized orchestral sound tracks and theatrical lighting effects. The sound system and lights involve 200 pounds of special equipment.

Since 1952 the artist has been entertaining audiences throughout the mid-west and from coast to coast. His engagements have taken him to seven foreign countries. Each year he gives over 200 performances.

Church changes dates

ORLAND PARK — Notice of regular monthly meeting changes have been announced by the Orland Park United Methodist Church.

The Council On Ministries will meet at 7:30 p.m. Tuesday, April 11, instead of April 4.

The Elizabeth Circle of the Women's

Society will meet at 10 a.m. Wednesday, April 12, in the new church basement. A nursery service will be available. This Circle usually meets the first Wednesday of the month.

The meetings have been re-scheduled because school children are on vacation and many church members are out of town.

In Dist. 146 race

Lill attacks present leadership

TINLEY PARK — Paul A. Lill is a candidate for a three-year term on School District 146 Board of Education. The election will be held this Saturday.

Lill and his wife, Charlene, have three children, all attending District 146 schools.

The candidate is a Purdue University graduate and an employee of Illinois Bell Telephone Co. for the past 13 years.

"As an eight-year resident of Tinley Park, and a parent with three grade school age children," Lill points out, "I've had more than sufficient time to observe the workings and gauge the results of the District 146 school system."

"The following areas are ones that I feel are significant problems within this district," the Tinley Park Jaycee member and Junior Achievement advisor says.

"The incumbent candidates have voiced their satisfaction with the educational quality in District 146, yet the facts do not support their claims. Results of a recent achievement test, which included students from neighboring school district in the test group, placed District 146 in the lower 50 percent of the group. This is hardly a tolerable level of achievement!"

"Entranced with educational frills and experimentation, the District 146 administration has not placed sufficient emphasis on academic excellence in the basic areas of instruction. Fragmented objectives need to be consolidated, teachers encouraged, and the Board must

PAUL A. LILL

provide the leadership and commitment to achieve these ends.

"During the past four years District 146 has demonstrated little aggressive leadership in attacking the problems occasioned by a rapidly growing community. There have been long delays in building completions; resulting in overcrowding, double shifting and general chaos. Lack of text materials and furniture have been commonplace.

"How many parents have paid the book rental fee unaware that their children do not have the books, and may not get them, for two or three months?"

"And this year we have had the 'open school' fiasco! Close to 600 children have been involved in an experiment that was ill-advised, inadequately supported and lacking anything faintly resembling an organized plan of action. I do not challenge the concept of the 'open school' it has proven itself when properly implemented.

"Given adequate time and preparation, this type of instruction can be beneficial

to the student, but the drastic change dictated by the administration was too fast and all-encompassing to provide a good learning environment. Add to that the fact that the specialized building required for this form of instruction was not complete and one wonders if ego or intellect made the decision.

"We have witnessed a frantic effort to upgrade the expertise of the teaching staff and to provide justification, somewhat tardily, for the great step forward that the 'open school' is bringing to Tinley Park.

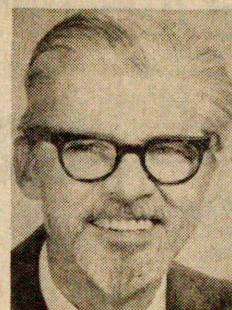

"As elected representatives of the people, the board has an obligation to keep itself informed on all matters concerning the district. It seems reasonable to assume that the introduction of a new teaching-learning technique would demand close follow-up by the board and administration to assure a successful transition; yet by their own admission, the board members were not on top of conditions — overcrowding and lack of materials — that parents had been aware of for some time. The leadership has to stay informed, whether by subordinates or by personal observation.

"The obligation as a board member is not one to be undertaken lightly. I realize that it will require a great deal of personal time to do a complete and thorough job. I'm prepared to make that commitment in an effort to provide the children in District 146 with the best education that we can financially support. I have no other community or social activities that would detract from my full concentration on this task."

In District 228 race

Resumes of three candidates

WILLIAM G. MARQUARDSEN

COUNTRY CLUB HILLS William G. Marquardsen, a resident of this community for 15 years and president of a Citizens' Committee of School District 160, is a candidate for the District 228 Board of Education.

The retired engineer is opposed to the what he calls "the teachers' block" and alleges, "The school board is being stacked against the taxpayers and kids by the teachers' block."

In a statement to the *HERALD* the candidate said, "It is being rumored about that I'm an alcoholic. I don't drink."

Marquardsen was director of the first Country Club Hills Homeowners Association which was instrumental in having Country Club Hills development incorporated as the City of Country Club Hills.

He is a native of Chicago and educated at Illinois Institute of Technology where he studied mechanical engineering. He was employed by the Hotpoint and General Electric Companies.

He retired from General Electric in 1967 "because of disability, a result of naval service in WW II in the South Pacific on the aircraft carrier USS Yorktown."

The candidate was a founder-trustee and elder of the United Christian Church of Country Club Hills and is now a member of the House of Prayer Lutheran Church.

Since his retirement he has founded the South Cook & North Will Counties Genealogical Society and is also the founder and president of Marq & Associates for Genealogical and Historical Research with a Computerized Surname Service.

He and his wife, Hazel, also a WW II veteran of the Navy Waves, have five children.

Marquardsen says he is an advocate of "better lunch programs, neighborhood schools, discipline and enforcement by peers, self pride, better school spirit and more community involvement."

He says his name "will be found at the bottom of the ballot in the middle of the Vacancy Candidates, and that's where I like to be . . . in the middle, getting at the bottom of things."

RON HARLEY

OAK FOREST/TINLEY — Thomas J. Kowal, 26, candidate for a three-year term on the Board of Education of High School District 228 has issued the following statement concerning his candidacy:

"Since 1969, my wife Kathy and I have lived in Midlothian. We have two children, Lisa, four years old, and Jason, seven months. Since 1966, I have been employed at United States Steel's South Works Plant. Currently, my position is that of an efficiency expert in the Industrial Engineering Department.

"In 1969, I received my bachelor of science degree in business administration from Roosevelt University (Chicago). Currently, I'm a master degree candidate at Governor's State University. My community involvement has been in the Junior Achievement program as a company advisor and also as an assistant institutional advisor.

"In my opinion, there are several problems facing our school district: poor communications of the affairs, decisions and policies of the school board to the residences and taxpayers and inadequate facility planning to meet the educational needs of this district in years to come.

"New facilities are overcrowded; however, the policy of the school board is to build and add-on, build and add-on. Perhaps the policy should be revised based upon population growth studies and projections. This could result in substantial savings to the taxpayers since higher construction costs and higher bond interests could be avoided.

"Improved programs for vocational and handicapped students. We, in District 228 are fortunate to be involved in a co-op program; however, this program needs to be reexamined its scope before planning for our future requirements. Currently, our vocational training program is in the experimental stage, here again the future is quickly catching up with us. We must develop a strong policy towards developing these non-college bound students through adequate and advanced programs, giving them the same and equal educational training that we give the college preparation students.

"My qualifications in the educational field are limited; however, I believe that as a member of the school board I shall be as responsible to the taxpayers of this district for a good return on their tax dollars as I am for providing the best education for our young adults."

One is the \$9 million budget that calls for careful handling and administration, according to Harley. Harley feels working with state and local officials to improve the method of financing public school education to lessen the burden on the individual homeowner, taxpayer and school district, is also a major concern.

The third area of concern, according to Harley, is revising the curriculum to fit the needs of all students, providing equality of opportunities and quality education in vocational and academic areas.

Bernetzke is Jaycees officer

TINLEY PARK — Gerald Bernetzke, 16400 S. 66th Ave., is a candidate for the board of education of School District 146. Bernetzke and his wife, Judy, have two daughters who attend Sandridge School. They have been residents of Tinley Park for four and one-half years.

He is a graduate of the University of Wisconsin and holds a bachelor of science degree in economics, and has been employed by the General Services Administration (Federal Government) as a financial

GERALD BERNETZKE

analyst and contracting officer for the past nine years.

Bernetzke is presently treasurer of the Tinley Park Jaycees and a member of St. George Church and the Knights of Columbus.

As a present member of the school board, Bernetzke said, "I hope to remain on the board so that I may use my past experience to further the goals that have been established. The main goal is to continue to provide the best education at a reasonable cost."

President seeks re-election

Donald Robert Westerhausen is running for re-election to the Board of Education, Consolidated School District 146. He has been a member of the board for the past seven years with the last five years as board president.

Don was born in Chicago, Illinois, and raised in Hinsdale moving to Tinley Park fourteen years ago. He graduated from Hinsdale Township High School and attended Thornton Junior College.

Don is district supervisor for White Castle System having worked for them for the past 24 years with time out for

a four-year hitch in United States Air Force, where he achieved the rank of staff sergeant.

Civic activities consume a great deal of his free time, and he is presently serving as president of the board of Consolidated School District 146. He is also the village health inspector for Tinley Park, Treasurer for the Society for Advancement of Management, Past Vice-President, Tinley Park Athletic Association and has been on the Committee for Scouting in Tinley Park.

During the time that he has been on the

school board the following accomplishments have been achieved; 1, Established a long-range plan for the district; 2, Remodeled the schools and brought them up to the Illinois Life Safety Code; 3, Added one elementary school which is now under construction, and will be adding another elementary school, and, no doubt, a Junior High School in the near future.

Don and his wife, Donna, have two sons, Donald, Jr. and David and they are members of the Zion Lutheran Church in Tinley Park. Don's past experience in the District would be most helpful should he be re-elected to the School Board.

In Dist. 145 race

Curry is Gingerwood leader

OAK FOREST — Richard B. Curry, Oak Forest, has announced his candidacy for the three-year term on the board of education of school district 145. He and his wife Carol have four children, three of which attend school in district 145. The Currys have been residents of the district for the past seven years.

Curry has shown active interest in school and city affairs by serving as a member of the district Human Growth and Development Committee and also

as vice president of the intramural basketball league, SAK. He is a member of the Oak Forest Jaycees and has also served as an officer of the organization. Curry is a past president of the Gingerwood Homeowners Association and is presently a board member of the Gingerwood Athletic Association and the American Days Committee.

As a candidate for the board of education, Curry's primary concern is "to offer

each child in the district the best education possible by enlarging the present curriculum and offering extended educational activities. He believes the taxpayer should be made aware of the expenditure of their tax dollar through a more efficient means of communication."

The district 145 election will be held at Arbor Park Middle School, 160th and Oak, Oak Forest, Saturday, April 8th, from noon to 7 p.m.

In Dist. 230 race

Mrs. Dick is Stagg parent head

June Dick of 7408 W. 113th Place, Worth, is a candidate to the District 230 board. She is married to William Dick, a local scout master and has two children, Nancy (Anderson) a graduate of A.A. Stagg High School, and Bill, also a graduate of Stagg and now a freshman at Western Illinois University.

Mrs. Dick has lived in Worth for 18 years. She graduated from North Palos Grammar School and Orland Park High School. She has been employed as a full time secretary for the Schmaedeke Funeral Homes in Worth and Orland Park for the past 8 years.

JUNE DICK

She has served with A.A. Staggs' Parents Association for 7 years in the capacity of secretary for 1 year and has held the position of president for the past 1 1/2 years, is a member of the Citizens Advisory Committee of Dist. No. 230, a member of the Student Aid Loan Fund, has served on the No. 230 Caucus, the Vocational Education Committee, the Site Committee & Population Growth Committee. She is a member of the Palos Business & Professional Women's Club, and a volunteer of the New Palos Community Hospital.

Local 4-H club demonstrates skills

SOUTHWEST — Twenty one 4-H Members demonstrated as finalists at the 1972 South Cook County 4-H demonstration finals, Saturday, March 18, at the Faith United Protestant Church in Park Forest.

These members were from the South Holland, rural south Cook County and Park Forest areas. They demonstrated in the foods and nutrition, agricultural and general projects.

The foods and nutrition winner to demonstrate at the 1972 State Fair in August

is Kathy Collins, Matteson, of Matteson Highlanders 4-H Club. Delegates in foods, also to attend state fair are Kathy Hamilton, Sauk Village, Bloom Girls; Mary Javorka, South Holland, Stitch & Stew; Fran Zoller, Matteson, Matteson Flying Needles; Patti Decker, Park Forest, Saukteers; Beth Wachter, Matteson, Matteson Highlanders; Susan Weber, Palos Heights, Palos Pixies; Karen Obernesser, Matteson, Matteson Highlanders; Jolene Murphy, Chicago Heights, Needles & Kettles 4-H Club.

In the agricultural and general division

demonstrations, demonstrators to attend state fair are Amy Phillips, Park Forest, Saukteers 4-H Club; and Laura Wachter, Matteson, Matteson Highlanders 4-H Club. Alternates are Kathy Goessel, Tinley Park, Helping Hands; and Quin Shannon, Palos Heights, Palos Boy Power.

Mrs. Audrey Hलगren, Mrs. Marsha Pauly, Mrs. Eileen Maass, Dalton Gray, and Ted Hoersch served as judges. Mrs. Robert Decker, Park Forest, and Mrs. William Stelter, Tinley Park, served as group leaders.

Senior citizens group enjoys social activities

Among those attending the recent session of the Mokena Senior Citizens Club were Frank Liszt, Mary Ryan, president of the Tinley Park Senior Citizens Club, and Louis Sass, Homer Township.

MOKENA — Cards and a social hour, following the regular business meeting, marked the second meeting of the Mokena Senior Citizens Club.

This was the club's first card party and arrangements were taken care of by the social committee of the St. Mary Parish Council. The party was held at St. Mary School.

Edward Gratovsky, president of the Holy Name Society at St. Mary, presented a check to the Senior Citizens Club to further its activities and defray some of its business expenses. The check was accepted by Mrs. Irene Plecki, club president.

The Mokena Senior Citizens Club, it was announced, is open to all residents of the Mokena area who have reached or passed the 50 mark. The next meeting will be April 11 at 7 p.m. in St. Mary School.

Members of the newly organized Mokena Senior Citizens Club (from left) Matilda Stan-kus, Ida Oberpriller, Mary Stanisiz and Bill Plecki enjoy a pinochle game at a recent social meeting.
